**Item 1.01. Entry into a Material Definitive Agreement.**

On March 15, 2017, PTC Therapeutics, Inc. (the "Company") entered into an Asset Purchase Agreement (the "Asset Purchase Agreement") with Marathon Pharmaceuticals, LLC ("Marathon") pursuant to which the Company agreed to acquire all rights to Emflaza™ (deflazacort) (the "Transaction"). Emflaza is the first treatment approved in the

United States for all Duchenne muscular dystrophy patients five years and older, regardless of their genetic mutation. Under the terms of the Asset Purchase Agreement, the Company has agreed to pay Marathon total upfront consideration of \$140 million upon the closing of the Transaction, comprised of approximately \$75 million in cash and approximately \$65 million of the Company's common stock. The number of shares of the Company's common stock issuable at closing will be based on the volume weighted average price per share of the Company's common stock on the Nasdaq Stock Market for the 15 trading day period ending on the third trading day immediately preceding the closing of the Transaction and will be subject to reduction such that the number of shares issuable will not exceed 19.9% of the issued and outstanding shares of the Company's common stock immediately prior to the closing date, which is expected to be a maximum of approximately 6.9 million shares, with any shortfall to be made whole with additional cash consideration. The Company will also assume certain liabilities with respect to the assets to be acquired. In addition, Marathon will be entitled to receive contingent payments from the Company based on annual net sales of Emflaza beginning in 2018, up to a specified aggregate maximum amount for such payments, and a single \$50 million sales-based milestone, in each case subject to the terms and conditions of the Asset Purchase Agreement. The Company expects that the contingent payments will, on a blended average basis, range in percentages of net sales between the low to mid-twenties.

The Asset Purchase Agreement includes customary pre-closing covenants, including with respect to Marathon's conduct of business, capital expenditures and studies and trials relating to the assets to be acquired as well as provisions with respect to the parties' rights and responsibilities in the event Marathon elects to commercialize the assets to be acquired prior to closing of the Transaction.

Additionally, prior to the closing of the Transaction, Marathon is prohibited from initiating, soliciting, encouraging or otherwise facilitating any inquiry, proposal, offer or discussion or engaging in discussions or negotiating with any party other than the Company with respect to a sale or similar transaction of the assets to be acquired, subject to the terms and conditions of the Asset Purchase Agreement. The Asset Purchase Agreement also prohibits Marathon from engaging in the business of developing, selling, manufacturing, distributing or marketing any product that is a steroid or anti-inflammatory for the treatment of Duchenne Muscular Dystrophy and from soliciting or hiring specified persons and employees of the Company, subject to certain exceptions as set forth in the Asset Purchase Agreement, for a period of five years following the closing of the Transaction. Under the Asset Purchase Agreement, Marathon has also agreed to a standstill with respect to the Company's securities, not to dispose of any Company common stock and to vote any of its Company common stock in accordance with the Company's governing body for a period of six months following closing of the Transaction, subject to certain exceptions as set forth in the Asset Purchase Agreement.

The Asset Purchase Agreement includes customary closing conditions, including regulatory approval, and termination provisions as well as indemnification provisions pursuant to which the parties agree to indemnify each other, subject to certain thresholds and caps on liability as set forth in the Asset Purchase Agreement. The Asset Purchase Agreement may be terminated by either party if the Transaction has not closed by July 15, 2017, subject to the terms and conditions of the Asset Purchase Agreement.

The Asset Purchase Agreement also contains customary representations and warranties that the Company and Marathon made to each other as of specific dates. The assertions embodied in those representations and warranties were made solely for purposes of the Asset Purchase Agreement and may be subject to important qualifications and limitations agreed to by the Company and Marathon in connection with negotiating its terms. Moreover, the representations and warranties may be subject to a contractual standard of materiality that may be different from what may be viewed as material to stockholders or may have been used for the purpose of allocating risk between the Company and Marathon rather than establishing matters as facts. For the foregoing reasons, no person should rely on such representations and warranties as statements of factual information at the time they were made or otherwise.

The above description of the Asset Purchase Agreement is a summary only and is qualified in its entirety by reference to the terms of the Asset Purchase Agreement, filed as Exhibit 2.1 hereto and incorporated herein by reference.

### **Item 3.02. Unregistered Sales of Equity Securities.**

The description of the common stock consideration under the terms of the Asset Purchase Agreement set forth in Item 1.01 is incorporated herein by reference. In connection with the closing of the Transaction, the Company will issue to Marathon the common stock consideration pursuant to an exemption from registration afforded by Section 4(a)(2) of the Securities Act of 1933, as amended (the "Securities Act"), and/or Regulation D promulgated thereunder, based in part on Marathon's representations to the Company that it is an "accredited investor" as that term is defined under Rule 501(a) under the Securities Act.

### **Item 7.01. Regulation FD Disclosure.**

On March 16, 2017, the Company issued a press release in which it announced that it entered into the Asset Purchase Agreement. A copy of the press release is attached to this Report as Exhibit 99.1 and is incorporated by reference into this Item 7.01.

The information set forth in or incorporated by reference into this Item 7.01, including Exhibit 99.1, shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liability of that section, and shall not be incorporated by reference into any registration statement or other document filed under the Securities Act or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

## ASSET PURCHASE AGREEMENT

THIS ASSET PURCHASE AGREEMENT (this "Agreement") is made and entered into as of March 15, 2017, by and between PTC Therapeutics, Inc., a Delaware corporation ("Buyer"), and Marathon Pharmaceuticals, LLC, a Delaware limited liability company ("Seller"). Buyer and Seller may be referred to herein, together, as the "Parties" and, individually, as a "Party."

### RECITALS

WHEREAS, Seller desires to sell, transfer and assign (or cause to be sold, transferred and assigned) to Buyer, and Buyer desires to purchase from Seller the Acquired Assets, upon the terms and subject to the conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the premises and of the mutual representations, warranties, covenants and agreements herein contained, and for other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged), the Parties, intending to be legally bound, hereby agree as follows:

### ARTICLE I SALE AND PURCHASE OF ASSETS; CLOSING

#### 1.1 Sale and Purchase of Assets; Assumption of Assumed Liabilities.

(a) Upon the terms and subject to the conditions hereof, at the Closing, Seller shall sell, assign, transfer and deliver (or cause to be sold, assigned, transferred and delivered) to Buyer, and Buyer shall purchase from Seller, all right, title and interest in, to and under the Acquired Assets, free and clear of all Liens (other than Permitted Liens) in exchange for (i) a payment of cash consideration in the aggregate amount of \$75,000,000 (as may be increased pursuant to Section 1.1(d), the "Cash Consideration"), payable as and to the extent set forth in Section 1.4(b); (ii) the assumption by Buyer of the Assumed Liabilities; (iii) a number of shares of Buyer Common Stock equal to the Stock Consideration, payable as and to the extent set forth in Section 1.4(b) (but subject to Section 1.1(d) below); and (iv) the right to receive contingent payments, if, as and to the extent payable pursuant to Section 1.6 (the "Contingent Payments").

(b) Upon the terms and subject to the conditions hereof, at the Closing, Buyer shall assume the Assumed Liabilities. Notwithstanding anything to the contrary in any Transaction Document, (i) Buyer shall not assume, and Seller shall remain primarily liable for, and shall pay, perform and discharge when due, the Retained Liabilities and (ii) Buyer shall not acquire any Excluded Assets.

(c) Anything in this Agreement to the contrary notwithstanding, this Agreement shall not constitute an agreement to assign or transfer any Contract or Permit, or any claim, right or benefit arising thereunder or resulting therefrom, if (i) an attempted assignment or transfer thereof, without the consent of a Third Party thereto or of the issuing Governmental Authority, as the case may be, would constitute a breach thereof and (ii) such consent is not

obtained prior to the Closing (each a “Deferred Item”). In such case, (A) such Deferred Item shall be withheld from sale pursuant to this Agreement without any reduction in the amount due pursuant to Section 1.1(a), (B) from and after the Closing, Seller will use its commercially reasonable efforts to obtain such consent as soon as practicable after the Closing, and (C) until such consent is obtained, Seller shall provide (or cause to be provided) to Buyer the benefits under such Deferred Item, including by paying Buyer’s out-of-pocket expenses incurred in connection with obtaining alternative arrangements (including subleasing or subcontracting if permitted) to provide to Buyer the economic and operational equivalent of obtaining such consent and assigning or transferring to Buyer such Deferred Item, including enforcement for the benefit of Buyer of all claims or rights arising thereunder.

(d) If the aggregate number of shares of Buyer Common Stock to be issued pursuant to Section 1.1(a)(iii) would exceed nineteen and nine tenths percent (19.9%) of the issued and outstanding shares of Buyer Common Stock immediately prior to the Closing Date (the “Maximum Share Number”), the number of such shares shall be reduced to the minimum extent necessary such that the aggregate number of shares of Buyer Common Stock to be issued pursuant to Section 1.1(a)(iii) does not exceed the Maximum Share Number (such reduction in shares of Buyer Common Stock, the “Shortfall Amount”), in which case Buyer shall increase the Cash Consideration by an amount equal to the product of (i) the Shortfall Amount and (ii) the Buyer Closing Trading Price.

1.2 Pre-Closing. No less than three (3) Business Days prior to the Closing Date, Seller shall deliver to Buyer the following:

(a) a certificate duly executed by the Chief Financial Officer of Seller certifying that Seller has no Liability for any Seller Bank Indebtedness; and

(b) wire transfer instructions for payment of the Initial Payment to Seller by wire transfer.

1.3 Location and Date. The consummation of the transactions contemplated pursuant to this Agreement (the “Closing”) shall take place by remote exchange of documents and signatures on the third (3rd) Business Day following the date on which all conditions to the Closing shall have been satisfied or waived (other than those that by their terms are not contemplated to be satisfied until the time of the Closing, but subject to the fulfillment or waiver of such conditions at the time of the Closing), or on such other date and/or time as Buyer and Seller may mutually agree in writing. The date on which the Closing actually occurs is referred to herein as the “Closing Date.”

(b) Deliveries by Buyer. Upon the terms and subject to the conditions contained herein, at the Closing, Buyer shall deliver:

(i) Closing Consideration. The closing consideration shall be delivered at the Closing as follows:

Buyer and Seller agree to make all filings required under Section 1060 of the Code and the Treasury Regulations thereunder, and file all Tax Returns (including Internal Revenue Service Form 8594), consistent with the Allocation Schedule. Neither Buyer nor Seller shall take any Tax position inconsistent with the Allocation Schedule, except to the extent otherwise required by Law. If the Purchase Price is adjusted pursuant to this Agreement, the allocations set forth in the Allocation Schedule shall be adjusted as appropriate and Buyer and Seller shall cooperate in making any such adjustments.

1.6 [\*\*] Contingent Payments; Milestone Payment.

(a) [\*\*] Contingent Payments.

(i) Subject to the terms and conditions of this Agreement, Buyer shall pay to Seller contingent payments in respect of total Net Sales of the Products in the Territory that are in excess of [\*\*] as determined [\*\*] at the payment rates set forth below, up to the Contingent Payment Cap (as defined below). For the avoidance of doubt, the contingent payments payable under this Section 1.6(a)(i) [\*\*] shall be calculated based only on the portion of Net Sales [\*\*] that exceed the [\*\*]. By way of example only, [\*\*]. Buyer shall not (and shall cause its Affiliates and sublicensees to not) engage in the practice of "channel stuffing" or any program, activity or other action (including any rebate, discount, chargeback, refund policy or practice) that is intended or would reasonably be expected to result, directly or indirectly, in a trade buy-in that is materially in excess of normal customer purchasing patterns for the Products consistent with past practice of the Business [\*\*].

[**]	[**]

(ii) [\*\*]; Contingent Payment Cap. As used in this Agreement, the term "[\*\*]" means, [\*\*]. Notwithstanding anything to the contrary set forth herein, the maximum cumulative amount of contingent payments payable by Buyer to Seller pursuant to Section 1.6(a)(i) shall be \$[\*\*] (the "Contingent Payment Cap"). Upon payment by Buyer of an

amount equal to the Contingent Payment Cap, Buyer's payment obligations under Section 1.6(a)(i) shall automatically terminate. By way of example only, [\*\*].

(b) Milestone Payment. Buyer shall pay to Seller a one-time milestone payment of \$50,000,000 (the "Milestone Payment") upon the [\*\*] (the "Milestone Event"), which Milestone Payment shall not be made earlier than [\*\*]. By way of example only, if the Milestone Event is actually achieved in [\*\*], then the Milestone Payment would not be payable until [\*\*].

(c) Contingent Payment Reports; Payments. Buyer shall keep, and cause its Affiliates and sublicensees to keep, complete and accurate Books and Records in sufficient detail to calculate and verify all Contingent Payments payable under this Agreement. Payments of any Contingent Payments shall be made on a calendar quarter basis within forty-five (45) days after the last day of each calendar quarter in which Contingent Payments are due hereunder and shall include a written report with respect to the immediately preceding calendar quarter (each, a "Contingent Payment Report") stating: (i) the total gross sales of the Product sold by Buyer, its Affiliates and their respective sublicensees during such calendar quarter and (ii) the Net Sales of the Product sold by Buyer, its Affiliates and their respective sublicensees during such calendar quarter, including a breakdown of the sum of each of the deductions made, if any, from gross sales to arrive at the calculation of Net Sales and (A) with respect to the calendar year 2018, an accurate breakdown of number of prescriptions filled, aggregate number of units sold, number of patients taking Product and the Product wholesale acquisition cost and (B) with respect to subsequent calendar years, an accurate breakdown of aggregate number of units sold and the Product wholesale acquisition cost. Concurrent with the submission of a Contingent Payment Report for each such calendar quarter, Buyer shall pay Seller all Contingent Payments due under this Agreement in respect of such quarter.

(d) Audit. At the request of Seller or a successor to Seller's right to receive Contingent Payments under this Agreement (a "Successor"), Buyer shall permit Seller, Successor or an independent, nationally recognized auditor designated by Seller or Successor and reasonably acceptable to Buyer, at reasonable times and upon reasonable notice, to audit the Books and Records maintained pursuant to Section 1.6(c) hereof to ensure the accuracy of all Contingent Payment Reports and payments made hereunder. Successor and, if applicable, the auditor shall be obligated to execute and deliver to Buyer a reasonable confidentiality agreement designated by Buyer prior to commencing such audit. Except as provided below, the cost of this audit shall be borne by Seller or Successor, unless the audit reveals, with respect to a period, a variance of more than five percent (5%) from the reported amounts for such period, in which case Buyer shall bear the cost of the audit. Unless disputed pursuant to Section 1.6(e) hereof, if such audit concludes that (i) additional amounts were owed by Buyer, Buyer shall pay the additional amounts, with interest from the date originally due, or (ii) excess payments were made by Buyer, Seller or Successor shall reimburse such excess payments, in each case, within sixty (60) days after the date on which such audit is completed by Seller or Successor.

(e) Audit Dispute. In the event of a dispute with respect to any audit under Section 1.6(d) hereof, Seller or Successor, as the case may be, and Buyer shall work in good faith to resolve the disagreement. If the Parties are unable to reach a mutually acceptable resolution of any such dispute within thirty (30) days, the dispute shall be submitted for

resolution to a certified public accounting firm jointly selected by each Party's certified public accountants or such other Person as the Parties shall mutually agree (the "Auditor"). The decision of the Auditor shall be final with respect to the dispute and the costs of such arbitration as well as the initial audit shall be borne between the Parties in such manner as the Auditor shall determine. Not later than ten (10) days after such decision and in accordance with such decision, Buyer shall pay the additional amounts, with interest, or Seller shall reimburse the excess payments, as applicable.

To induce Buyer to enter into the Transaction Documents and consummate the transactions contemplated thereby, Seller makes the following representations and warranties to Buyer as of the date of this Agreement and as of the Closing Date, except as disclosed by Seller in the written Disclosure Schedule provided to Buyer dated the date of this Agreement (the "Seller Disclosure Schedule"), which shall be arranged in sections and subsections corresponding to the numbered and lettered sections and subsections contained in this ARTICLE II. The disclosure in any section or subsection of the Seller Disclosure Schedule corresponding to any section or subsection of this ARTICLE II shall qualify other sections and subsections in this ARTICLE II as indicated by cross-references to such other sections and subsections, and to the extent that it is readily apparent on the face of such disclosure that such disclosure qualifies any other sections or subsections.

2.1 Due Organization. Seller is a limited liability company duly organized, validly existing and in good standing (tax and otherwise) under the Laws of the State of Delaware. Seller is in good standing (tax and otherwise) in each jurisdiction in which the failure to be in good standing would have a Seller Material Adverse Change. Seller has all limited liability company power and authority necessary to carry on its business (including the Business) and to own and use the properties owned and used by it. Seller has delivered to Buyer true, correct and complete copies of its Charter Documents. Seller is not in violation of, in conflict with, or in default under, its Charter Documents, and there exists no condition or event which, after notice, lapse of time or both, would result in any such violation, conflict or default. Seller does not have any Subsidiaries.

2.2 Authorization; No Conflict.

(a) Seller has full legal right and all requisite power and authority to execute and deliver each of the Transaction Documents to which it is a party and to perform its obligations and consummate the transactions contemplated thereby. The execution and delivery by Seller of each of the Transaction Documents to which it is a party, the performance of its obligations and the consummation of the transactions contemplated thereby have been duly and validly authorized by Marathon Holdings, as Seller's sole member, and all other necessary action on the part of Seller. This Agreement has been duly and validly executed and delivered by Seller and, assuming the due and valid execution hereof by Buyer, constitutes a valid and binding obligation of Seller, enforceable against it in accordance with its terms, except as such enforcement may be limited by applicable bankruptcy, insolvency, moratorium or similar Laws

from time to time in effect which affect creditors' rights generally, and by legal and equitable limitations on the enforceability of specific remedies. Each of the other Transaction Documents to which Seller is a party has been duly and validly executed and delivered by Seller or, when so executed and delivered, assuming the due and valid execution thereof by each other party thereto, will be duly and validly executed and delivered by Seller, enforceable against it in accordance with its terms, except as such enforcement may be limited by applicable bankruptcy, insolvency, moratorium or similar Laws from time to time in effect which affect creditors' rights generally, and by legal and equitable limitations on the enforceability of specific remedies.

(b) Except as set forth on Section 2.2(b) of the Seller Disclosure Schedule, the execution, delivery and performance of the Transaction Documents by Seller, and the consummation of the transactions contemplated thereby, do not and will not, with or without notice, lapse of time or both: (i) conflict with or result in a breach or violation of Seller's Charter Documents or any resolution of the Governing Body or equityholders or members (or comparable Persons) of Seller; (ii) except for the applicable requirements of the HSR Act, require on the part of Seller any consent, waiver, approval, declaration or authorization of, or notice to or filing with, any Governmental Authority; (iii) materially conflict with, result in a material default, material modification or termination under, give any Person a right of termination, cancellation, acceleration, suspension or revocation under, result in the loss of a material benefit or the imposition of any material obligation under, or require any material consent, waiver, approval, notice, filing, declaration or authorization under, any Assigned Contract or Transferred Permit; (iv) result in the creation or imposition of any material Lien on the Business or any Acquired Asset other than Permitted Liens; or (v) violate in any material respect any Law to which Seller, the Business or any of the Acquired Assets is subject or bound.

Each Financial Statement (including the notes thereto) has been prepared from Seller's Books and Records and in accordance with GAAP applied on a consistent basis throughout the periods covered thereby, and fairly presents in all material respects the financial condition and results of operations of Seller and the Business as of the dates, and for the periods, indicated thereon, except that the unaudited interim financial statements are subject to normal year-end adjustments and do not contain footnote disclosure. Since the Most Recent Balance Sheet Date, there have been no material changes in the accounting policies of Seller (including any change in depreciation or amortization policies or rates, or policies with respect to reserves for uncollectible accounts receivable or excess or obsolete inventory) and no revaluation of Seller's properties or assets.

Neither Seller nor, to Seller's Knowledge, any of Seller's officers, employees or agents, has been convicted of any crime or engaged in any conduct with respect to any of the Products that has resulted, or would reasonably be expected to result, in debarment or exclusion under applicable Law, including 21 U.S.C. Except as set forth on Section 2.18 of the Seller Disclosure Schedule, no broker or finder has acted for Seller in connection with the Transaction Documents or the transactions contemplated thereby, and no broker or finder is entitled to any brokerage or finder's fee or other commissions in respect of such transactions based upon agreements, arrangements or understandings made by or on behalf of Seller.

2.19 Purchase for Own Account; Sophistication. Seller acknowledges and agrees that the shares of Buyer Common Stock to be acquired by Seller pursuant to this Agreement will be acquired for investment for Seller's own account, not as a nominee or agent, and not with a view to the resale or distribution of any part thereof, and that Seller has no present intention of selling, granting any participation in, or otherwise distributing the same. Seller acknowledges and agrees that Seller does not presently have any contract, undertaking, agreement or arrangement with any Person to sell, transfer or grant participations to such Person or to any Third Party, with respect to any of the shares of Buyer Common Stock to be received by it pursuant to this Agreement. Seller represents and warrants that it has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of owning the shares of Buyer Common Stock to be received by it pursuant to this Agreement. Seller has the ability to bear the economic risk of the investment in shares of Buyer Common Stock, including complete loss of such investment. Notwithstanding the foregoing, following the Closing, Seller intends to liquidate and wind-up its affairs and distribute the Buyer Common Stock to Marathon Holdings and/or the equityholders of Seller or Marathon Holdings, in each case, in accordance with the applicable distribution provisions set forth in the Charter Documents of Seller and Marathon Holdings and applicable Laws, including applicable securities Laws.

## 2.21 Restricted Securities; Legends.

(a) Seller understands that the shares of Buyer Common Stock to be received by it in connection with the transactions contemplated by this Agreement have not been registered under the Securities Act, by reason of a specific exemption from the registration provisions of the Securities Act which depends upon, among other things, the bona fide nature of the investment intent and the accuracy of Seller's representations and warranties as expressed herein. Seller understands that such shares of Buyer Common Stock will be "restricted securities" under applicable securities Laws and that, pursuant to these Laws, Seller must hold such shares indefinitely unless they are registered with the SEC and qualified by state authorities, or an exemption from such registration and qualification requirements is available.

(i) "THE SHARES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AND HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE OR DISTRIBUTION THEREOF. NO SUCH TRANSFER MAY BE EFFECTED WITHOUT AN EFFECTIVE REGISTRATION STATEMENT RELATED THERETO OR AN OPINION OF COUNSEL IN A FORM SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED UNDER THE SECURITIES ACT OF 1933"; and

WITHOUT LIMITING THE FOREGOING, EXCEPT AS EXPRESSLY PROVIDED IN THIS AGREEMENT AND THE TRANSACTION DOCUMENTS, (A) THE ACQUIRED ASSETS ARE BEING TRANSFERRED "AS IS", (B) SELLER MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND OR AS BY OPERATION OF LAW, BY STATUTE OR OTHERWISE, AND (C) SELLER SPECIFICALLY DISCLAIMS ANY AND ALL IMPLIED OR STATUTORY WARRANTIES, INCLUDING ANY WARRANTY OF

MERCHANTABILITY, WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR WARRANTY OF NONINFRINGEMENT.

2.24 Non-Reliance. Seller acknowledges, agrees, represents and warrants that neither Buyer, its agents or representatives or any other Person acting on behalf of or in concert with Buyer, has made or provided any representations, warranties, facts or information of any kind or nature, express or implied, oral or written, relating to Buyer or to its future or historical financial condition, performance, results, operations, assets, liabilities or prospects, or otherwise relating in any way to the subject matter of this Agreement, except as specifically set forth in Article III. Seller also acknowledges, agrees, represents and warrants that it is not relying, and has not relied, on any representations, warranties, facts or information whatsoever except as specifically set forth in Article III, in its decision to enter into this Agreement and to proceed with the transactions contemplated by this Agreement.

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF BUYER

To induce Seller to enter into the Transactions Documents and consummate the transactions contemplated thereby, Buyer makes the following representations and warranties to Seller, as of the date of this Agreement and as of the Closing Date, except as disclosed (a) in the Buyer SEC Reports (but excluding any predictive, cautionary or forward-looking disclosures contained under the caption “Risk Factors”, “Forward Looking Statements” or any similar predictive, cautionary or forward-looking statement) filed or furnished at least two (2) Business Days prior to the date of this Agreement, to the extent such Buyer SEC Reports are publicly available on the SEC’s Electronic Data Gathering Analysis and Retrieval System, and any exhibits to such Buyer SEC Reports, or (b) by Buyer in the written Disclosure Schedule provided to Seller dated the date of this Agreement (the “Buyer Disclosure Schedule”), which shall be arranged in sections and subsections corresponding to the numbered and lettered sections and subsections contained in this ARTICLE III. Buyer is in good standing (tax and otherwise) in each jurisdiction in which it is qualified to do business. Buyer has full corporate power and authority necessary to carry on the businesses in which it is engaged and to own and use the properties owned and used by it. Buyer has delivered to Seller true, correct and complete copies of its Charter Documents. Buyer is not in violation of, in conflict with, or in default under its Charter Documents, and there exists no condition or event which, after notice, lapse of time or both, would result in any such violation conflict or default.

3.2 Authorization; No Conflict.

(a) Buyer has full legal right and all requisite corporate power and authority to execute and deliver each of the Transaction Documents to which it is a party and to perform its obligations and consummate the transactions contemplated thereby. The execution and delivery by Buyer of the Transaction Documents to which it is a party, the performance of its obligations and the consummation of the transactions contemplated thereby have been duly and validly authorized by all necessary action on the part of Buyer. This Agreement has been duly and validly executed and delivered by Buyer and, assuming the due and valid execution and delivery hereof by Seller, constitutes a valid and binding obligation of Buyer, enforceable against it in accordance with its terms, except as such enforcement may be limited by applicable bankruptcy, insolvency, moratorium or similar Laws from time to time in effect which affect creditors' rights generally, and by legal and equitable limitations on the enforceability of specific remedies. Each of the other Transaction Documents to which Buyer is a party has been duly and validly executed and delivered by Buyer or, when so executed and delivered, assuming the due and valid execution and delivery thereof by each other party thereto, will be duly and validly executed and delivered by Buyer, enforceable against it in accordance with its terms, except as such enforcement may be limited by applicable bankruptcy, insolvency, moratorium or similar Laws from time to time in effect which affect creditors' rights generally, and by legal and equitable limitations on the enforceability of specific remedies.

(b) The execution, delivery and performance of the Transaction Documents by Buyer, and the consummation of the transactions contemplated thereby, do not and will not, with or without notice, lapse of time or both: (i) conflict with or result in a breach or violation of Buyer's Charter Documents or any resolution of the Governing Body of Buyer; (ii) except for the requirements of the HSR Act, require on the part of Buyer any consent, waiver, approval, declaration or authorization of, or notice to or filing with, any Governmental Authority; (iii) materially conflict with, result in a material default, material modification or termination under, give any Person a right of termination, cancellation, acceleration, suspension or revocation under, result in the loss of a material benefit or the imposition of any material obligation under, or require any material consent, waiver, approval, notice, filing, declaration or authorization under, any Buyer Material Contract or Permit applicable to the Buyer Group, or (iv) violate in any material respect any Law to which the Buyer Group or its properties, rights or assets are subject or bound.

The Buyer Stock subject to issuance pursuant to Article I shall have the rights, powers and preferences set forth in Buyer's Charter Documents, copies of which have been made available to Seller. There are no options, calls, warrants or convertible or exchangeable securities, or conversion, preemptive, subscription or other rights or contracts, in any such case, obligating or which may obligate Buyer to issue, sell, purchase, return or redeem, or otherwise dispose of, transfer or acquire any shares of Buyer Stock or securities convertible or exchangeable for Buyer Stock, in each case, with or without payment of additional consideration in cash or property, either immediately upon the occurrence of a specified date or a specified event or the satisfaction or happening of any other condition or contingency. (a) Buyer has timely filed all registration statements, forms, reports, schedules, prospectuses, proxy statements, certifications and other documents required to be filed by Buyer with the SEC in the past twenty-four (24) months. All such registration statements, forms, reports and other documents (including those that Buyer may file after the date hereof until the Closing and together with all exhibits and schedules thereto and documents incorporated by reference therein) are referred to herein as the "Buyer SEC Reports." All of the Buyer SEC Reports (i) were or will be filed on a timely basis, (ii) at the time filed, complied, or will comply when filed, as to form in all material respects with the requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act of 2002, and rules and regulations promulgated thereunder applicable to such Buyer SEC Reports and (iii) did not, or will not, at the time they were or are filed (or, if amended, as of the date of such amendment) contain any untrue statement of a material fact or omit to state a material fact required to be stated in such Buyer SEC Reports or necessary in order to make the statements in such Buyer SEC Reports, in the light of the circumstances under which they were made, not misleading.

Each Buyer Material Contract is in full force and effect and is a legal, valid, binding and enforceable obligation of a member of the Buyer Group and, to Buyer’s Knowledge, each of the other parties thereto, except as such enforcement may be limited by applicable bankruptcy, insolvency, moratorium or similar Laws

from time to time in effect which affect creditors' rights generally, and by legal and equitable limitations on the enforceability of specific remedies.

3.13 Brokers and Agents. No broker or finder has acted for any member of the Buyer Group in connection with the Transaction Documents or the transactions contemplated thereby, and no broker or finder is entitled to any brokerage or finder's fee or other commissions in respect of such transactions based upon agreements, arrangements or understandings made by or on behalf of any member of the Buyer Group, in each case except for circumstances where Seller would incur any liability.

3.14 No Other Representations or Warranties. Except as expressly provided in this Agreement and the Transaction Documents, Buyer does not make any representation or warranty about the Buyer Common Stock, whatsoever. WITHOUT LIMITING THE FOREGOING, EXCEPT AS EXPRESSLY PROVIDED IN THIS AGREEMENT AND THE TRANSACTION DOCUMENTS, (A) BUYER MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND OR AS BY OPERATION OF LAW, BY STATUTE OR OTHERWISE, AND (B) BUYER SPECIFICALLY DISCLAIMS ANY AND ALL IMPLIED OR STATUTORY WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY, WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR WARRANTY OF NONINFRINGEMENT.

Buyer also acknowledges, agrees, represents and warrants that it is not relying, and has not relied, on any representations, warranties, facts or information whatsoever except as specifically set forth in Article II, in its decision to enter into this Agreement and to proceed with the transactions contemplated by this Agreement.

#### ARTICLE IV PRE-CLOSING COVENANTS

4.1 Conduct of Seller Business Pending Closing. Between the date of this Agreement and the earlier to occur of the Closing and the termination of this Agreement in accordance with ARTICLE VII (the "Interim Period") (except as expressly consented to in writing by Buyer, which consent shall not be unreasonably withheld, delayed or conditioned), Seller shall

(x) conduct the Business in the Ordinary Course of Business, (y) use reasonable best efforts to maintain and preserve the Business and its organization intact, retain its present officers and employees and maintain and preserve its relationships with its officers and employees, suppliers, vendors, customers, licensors, licensees, distributors, regulatory authorities, creditors and others having business relations with it, and (z) maintain the tangible Acquired Assets, including those held under leases, in good working order and condition, ordinary wear and tear excepted.

Notwithstanding the foregoing or any other provision of the Transaction Documents, during the Interim Period (except as expressly consented to in writing by Buyer, which consent shall not, in the case of clause (a) below, be unreasonably withheld, delayed or conditioned), Seller shall not with respect to the Business:

(a) make or agree to make any capital expenditures in excess of \$50,000 individually, or \$100,000 in the aggregate;

(b) sell, assign, lease, sublease, license, sublicense, pledge or otherwise transfer or dispose of or grant any option or rights in, to or under, any Acquired Assets, other than (x) the manufacture, packaging, labeling, shipment, transport, distribution or commercial sale of Inventory, (y) the shipment, transport, distribution or provision of “free goods” Inventory under Seller’s Expanded Access Program or other patient assistance programs or (z) the Launch and related commercialization of the Products;

(c) waive or release any right, or cancel, compromise, release or assign any obligations owed to Seller, related to or arising under the Acquired Assets;

(d) amend, modify or waive any right of Seller under or terminate or enter into any Assigned Contract, or amend, modify or waive any right under any Transferred Permit;

(e) enter into any other transaction, agreement or arrangement that is not negotiated at arm’s length and that would constitute an Assigned Contract;

#### 4.2 Information.

(a) During the Interim Period, Seller shall, subject to applicable Laws, afford to the authorized Representatives of Buyer access to (i) all of the Acquired Assets and Product Books and Records and (ii) such additional financial and operating data and other information relating to the Business and the Acquired Assets as Buyer may from time to time reasonably request, including access upon reasonable request to the employees of Seller.

(b) No later than twenty (20) days following the end of each calendar month prior to the Closing, Seller shall provide to Buyer the unaudited balance sheet of Seller as of the end of the most recently completed calendar month and the related unaudited statements of income and members' equity and cash flows for the period from the beginning of Seller's then- current fiscal year until the end of such month.

(c) Seller and Buyer acknowledge and agree that the Confidentiality Agreement remains in full force and effect and that information provided by Seller or any of Seller's Affiliates to Buyer, or by Buyer or any of Buyer's Affiliates to Seller, pursuant to this Agreement prior to the Closing shall be treated in accordance with the Confidentiality Agreement. If this Agreement is terminated prior to the Closing, the Confidentiality Agreement shall remain in full force and effect in accordance with its terms. If the Closing occurs, the Confidentiality Agreement, insofar as it covers information provided to Buyer or its Affiliates relating to the Business, shall terminate effective as of the Closing, but shall remain in effect insofar as it covers other information provided by or on behalf of Seller to Buyer thereunder and insofar as it imposes non-solicitation and standstill restrictions on Seller.

4.3 Exclusivity. During the Interim Period:

(a) Seller shall not and shall cause its Representatives and Affiliates not to, directly or indirectly: (i) initiate, solicit, encourage or otherwise facilitate any inquiry, proposal, offer or discussion with any party (other than Buyer) concerning any Acquisition Transaction, (ii) except as may be required by applicable Law, furnish any information concerning the Business (or any portion thereof) or the Acquired Assets to any Person (other than Seller's Representatives, Buyer and its Representatives) or (iii) engage in discussions or negotiations with any party (other than Seller's Representatives, Buyer and its Representatives) concerning any Acquisition Transaction.

(b) Seller shall and shall cause its Representatives and Affiliates to (i) immediately cease any discussions or negotiations of the nature described in Section 4.3(a) that were pending, (ii) immediately notify any party with which such discussions or negotiations were being held of such termination, (iii) immediately request in writing that all Persons to whom nonpublic information concerning Seller has been distributed on or prior to the date of this Agreement return or destroy such information to Seller as soon as possible, and (iv) refrain from entering into any Acquisition Transaction.

(c) Seller shall and shall cause its Representatives and Affiliates to: (i) promptly advise Buyer in writing of the receipt, directly or indirectly, of any inquiry, proposal or other materials, and of any discussions, negotiations or proposals relating to, an Acquisition Transaction received after the date hereof, (ii) promptly identify the offeror and (iii) promptly provide Buyer copies of all correspondence (including any indications of interest) and proposed

written agreements, arrangements or understandings with respect to any Acquisition Transaction (and a description of any proposed oral agreements with respect thereto). Seller shall promptly advise Buyer of all subsequent communications relating to such proposal.

#### 4.4 Notification of Certain Matters.

(a) Seller shall give prompt notice (and, in any event, within two (2) Business Days) (a “Seller Notice”) to Buyer of (i) the occurrence or non-occurrence of any event the occurrence or non-occurrence of which would or would be reasonably likely to cause any representation or warranty of Seller contained herein to be untrue or inaccurate in any material respect at any time at or prior to the Closing, or which would constitute a Seller Material Adverse Change, (ii) any event which would reasonably be expected to cause any of the conditions in ARTICLE VI not to be fulfilled, and (iii) any material failure of Seller to comply with or satisfy in a timely manner any covenant, condition or agreement to be complied with or satisfied by Seller hereunder. In the event that Seller delivers to Buyer a Seller Notice related to any event arising after the date of this Agreement (other than as a result of a Seller breach of Section 4.1 or 4.3), such Seller Notice may be accompanied by a supplement to the Seller Disclosure Schedule specifying such change or changes as are necessary to reflect the event that gave rise to such Seller Notice (a “Seller Disclosure Schedule Update”). If Seller delivers a Seller Disclosure Schedule Update, Buyer shall then have the right, during the period commencing on the date of receipt of such Seller Disclosure Schedule Update and ending on the date that is ten (10) Business Days thereafter to terminate this Agreement pursuant to Section 7.1(d) if the condition precedent set forth in Section 6.1(a) will not be fulfilled as a result of the matters, events or facts set forth in such Seller Disclosure Schedule Update. As of the Closing, if Buyer has not exercised its right to terminate this Agreement with respect to a Seller Disclosure Schedule Update that gives Buyer the right to terminate this Agreement pursuant to Section 7.1(d), then the Seller Disclosure Schedule will thereupon be deemed to be amended by such Seller Disclosure Schedule Update and the Buyer Indemnified Parties will be deemed to have waived any claim for indemnification pursuant to ARTICLE VIII based on any breach of representation or warranty that would have otherwise existed in the absence of such disclosure solely for the portion of any matter, event or fact disclosed in such Seller Disclosure Schedule Update. If the Seller Disclosure Schedule Update does not give Buyer the right to terminate this Agreement pursuant to Section 7.1(d) and this Section 4.4(a), then the Seller Disclosure Schedule will not be deemed to be amended by such Seller Disclosure Schedule Update and the Buyer Indemnified Parties will not be deemed to have waived any claim for indemnification pursuant to ARTICLE VIII.

(b) Buyer shall give prompt notice (and, in any event, within two (2) Business Days) (a “Buyer Notice”) to Seller of (i) the occurrence or non-occurrence of any event the occurrence or non-occurrence of which would or would be reasonably likely to cause any representation or warranty of Buyer contained herein to be untrue or inaccurate in any material respect at any time at or prior to the Closing, or which would constitute a Buyer Material Adverse Change, (ii) any event which would reasonably be expected to cause any of the conditions in ARTICLE VI not to be fulfilled, and (iii) any material failure of Buyer to comply with or satisfy in a timely manner any covenant, condition or agreement to be complied with or satisfied by Buyer hereunder. In the event that Buyer delivers to Seller a Buyer Notice related to any event arising after the date of this Agreement, such Buyer Notice may be accompanied by a

supplement to the Buyer Disclosure Schedule specifying such change or changes as are necessary to reflect the event that gave rise to such Buyer Notice (a “Buyer Disclosure Schedule Update”). If Buyer delivers a Buyer Disclosure Schedule Update, Seller shall then have the right, during the period commencing on the date of receipt of such Buyer Disclosure Schedule Update and ending on the date that is ten (10) Business Days thereafter to terminate this Agreement pursuant to Section 7.1(e) if the condition precedent set forth in Section 6.2(a) will not be fulfilled as a result of the matters, events or facts set forth in such Buyer Disclosure Schedule Update. As of the Closing, if Seller has not exercised its right to terminate this Agreement with respect to a Buyer Disclosure Schedule Update that gives Seller the right to terminate this Agreement pursuant to Section 7.1(e) and this Section 4.4(b), then the Buyer Disclosure Schedule will thereupon be deemed to be amended by such Buyer Disclosure Schedule Update and the Seller Indemnified Parties will be deemed to have waived any claim for indemnification pursuant to ARTICLE VIII based on any breach of representation or warranty that would have otherwise existed in the absence of such disclosure solely for the portion of any matter, event or fact disclosed in such Buyer Disclosure Schedule Update. If the Buyer Disclosure Schedule Update does not give Seller the right to terminate this Agreement pursuant to Section 7.1(e), then the Buyer Disclosure Schedule will not be deemed to be amended by such Buyer Disclosure Schedule Update and the Seller Indemnified Parties will not be deemed to have waived any claim for indemnification pursuant to ARTICLE VIII.

4.5 Cause Conditions to be Satisfied. Subject to Section 4.6, each party shall (a) use reasonable best efforts to cause each of the conditions set forth in Article VI to be satisfied at or prior to the Closing; and (b) cooperate in filing all notices and obtaining all consents and approvals required by Section 1.4(a)(vi) (it being agreed that such filings and consents shall nonetheless be the responsibility of Seller).

4.6 Governmental Consents and Filing of Notices.

(a) Within ten (10) Business Days after the date of this Agreement, Buyer and Seller will make all necessary filings and submissions under the HSR Act. Buyer and Seller will make all other filings required by the antitrust or competition Laws of any other jurisdiction as soon as practicable after the date of this Agreement. Buyer and Seller agree to comply with other reasonable requests for information from Governmental Authorities, to the extent required by applicable Law. Except as may be restricted by applicable Law, (i) the Parties shall cooperate with each other with respect to the obtaining of information needed for the preparation of the Notification and Report Forms required to be filed pursuant to the HSR Act or to the applicable Law of any other jurisdiction by Buyer or Seller in connection with the transactions contemplated hereby, (ii) the Parties shall use reasonable best efforts and shall cooperate in responding to any written or oral requests from Governmental Authorities for additional information or documentary evidence, and (iii) the Parties shall cooperate and shall provide notice and opportunity to consult regarding all meetings with Governmental Authorities, whether in person or telephonic, and regarding all written communications with Governmental Authorities, in each case in connection with the transactions contemplated hereby. The Parties agree to request early termination with respect to the waiting period prescribed by the HSR Act. Notwithstanding anything to the contrary in the Transaction Documents, Buyer shall be responsible for all filing fees incurred under the antitrust or competition Laws of any jurisdiction in connection with the transactions contemplated hereby.

(b) Notwithstanding anything to the contrary contained herein, neither Buyer nor its Affiliates shall be required (and Seller shall not agree to any of the following (without the written consent of Buyer)) under this Section 4.6: (i) to proffer to, or agree to, sell, divest, lease, license, transfer, dispose of, hold separate or encumber before or after the Closing any assets, licenses, operations, rights, product lines, businesses or interest therein of Buyer or any of its Affiliates or the Business; (ii) to consent to any sale, divestiture, lease, license, transfer, disposition or other encumbrance by Buyer or Seller or any of their Affiliates of any of their assets, licenses, operations, rights, product lines, businesses (including the Business) or interest therein; (iii) to consent to any agreement to take any of the foregoing actions; or (iv) to agree to any changes to or restriction on, or other impairment of Buyer's ability to own or operate, any such assets, licenses, product lines, businesses or interests therein or the Business.

4.7 Bulk Transfers Law. Each of Buyer and Seller hereby waives compliance with the provisions of the bulk transfer laws of any jurisdiction in connection with the transactions contemplated by this Agreement.

4.8 Products Launch. During the Interim Period, Seller may elect, in its discretion, to commence commercial sales, or commercial shipment, of any of the Products (the "Launch").

## ARTICLE V OTHER COVENANTS

5.1 Cooperation in Litigation. In the event that a claim is asserted against any Party or any of its Subsidiaries or Affiliates with respect to any of the transactions contemplated hereby, the other Party shall cooperate in the defense of such claim. Each Party shall reasonably consult with the other Party regarding the defense of any proceedings or litigation relating to any of the transactions contemplated hereby.

### 5.2 Tax Matters.

(a) Seller shall be responsible for and shall pay all Taxes of Seller and its Subsidiaries for all periods and all Taxes that relate to the Acquired Assets that were incurred in or are attributable to any Taxable period (or portion thereof) ending on or before the Closing Date. Seller and its Subsidiaries shall prepare and file, or cause to be prepared and filed, their Tax Returns for all periods and all Tax Returns that relate to the Acquired Assets for any Taxable periods ending on or before the Closing Date. Such returns will be prepared and filed in accordance with applicable Law and in a manner consistent with past practices.

(b) Any personal property or similar Taxes applicable to the Acquired Assets for a Taxable period that includes but does not end on the Closing Date shall be paid by Buyer or Seller, as applicable, and such Taxes shall be apportioned between Buyer and Seller based on the number of days in the portion of the Taxable period that ends on the Closing Date (the "Pre-Closing Tax Period") and the number of days in the entire Taxable period. Seller shall pay Buyer an amount equal to any such Taxes payable by Buyer which are attributable to the Pre-Closing Tax Period, and Buyer shall pay Seller an amount equal to any such Taxes payable by Seller which are not attributable to the Pre-Closing Tax Period. Such payments shall be made

on or prior to the Closing Date or, if later, on the date such Taxes are due (or thereafter, promptly after request by Buyer or Seller if such Taxes are not identified by Buyer or Seller on or prior to the Closing Date).

(c) All transfer, sales, and use Taxes, deed excise stamps and similar charges related to the sale of the Acquired Assets contemplated by this Agreement shall be borne equally by the Parties. Buyer will file all necessary Tax Returns and other documentation with respect to all such Taxes and, if required by applicable Law, Seller will, and will cause its Subsidiaries to, join in the execution of any such Tax Returns and other documentation.

(d) Buyer and Seller agree to furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the Acquired Assets (including access to books and records) as is reasonably necessary for the filing of all Tax Returns, the making of any election relating to Taxes, the preparation for any audit by any Governmental Authority, and the prosecution or defense of any claim, suit or proceeding relating to any Tax. Buyer and Seller (and their respective Subsidiaries, if any) shall retain all books and records with respect to Taxes pertaining to the Acquired Assets for a Pre-Closing Tax Period for a period of at least six years following the Closing Date. Seller and Buyer shall cooperate with each other in the conduct of any audit or other proceeding relating to Taxes involving the Acquired Assets with respect to any Pre-Closing Tax Period.

### 5.3 Non-Competition, Non-Solicitation and Confidentiality.

(a) Prohibited Activities. As further consideration for the purchase and sale of the Acquired Assets and the other transactions contemplated hereby:

(i) Seller covenants and agrees with Buyer that it shall not, and shall cause its Affiliates not to, until the fifth (5th) anniversary of the Closing Date (the "Non- Competition Term"), directly or indirectly, for such Person or on behalf of or in conjunction with any other Person, engage in the Territory as an owner, Representative or otherwise, in any business, or in developing, selling, manufacturing, distributing or marketing, any product that is a steroid or anti-inflammatory for the treatment of Duchenne Muscular Dystrophy; provided that this Section 5.3(a) shall not prohibit Seller or any of its Affiliates from (x) owning shares of Buyer Common Stock (subject to Sections 5.12, 5.13 and 5.14), (y) owning less than five percent (5%) of the outstanding common stock of a company, the common stock of which is traded on a national stock exchange, or (z) owning and operating the Excluded Assets.

(ii) Seller covenants and agrees with Buyer that it shall not, and shall cause its Affiliates not to, until the fifth (5th) anniversary of the Closing Date (the "Non- Solicitation Term"), directly or indirectly, for such Person or on behalf of or in conjunction with any other Person, (A) employ or hire away from Buyer any Restricted Person or (B) solicit or communicate with any Restricted Person for the purpose or with the intent of enticing, or in a manner reasonably likely to entice, such Restricted Person away from Buyer; provided that this Section 5.3(a)(ii) shall not at any time prohibit (x) Seller from soliciting or hiring any Specified Restricted Person whose employment or other service providing relationship with Buyer was terminated by Buyer more than six (6) months prior to such time or (y) the placement of

advertisements in publications of general circulation not directed at any Specified Restricted Person.

Each of the Non-Competition Term and the Non-Solicitation Term shall be automatically extended by the number of days that Seller is found to have been in violation of the provisions of this Section 5.3(a). For purposes of this Section 5.3(a), the term “Buyer” means Buyer and any present or future Affiliate of Buyer during the Non-Solicitation Term.

(b) Confidentiality. Seller recognizes that by reason of (i) its ownership of the Business and (ii) the information provided by or on behalf of Buyer or any of its Affiliates to Seller in connection with the transactions contemplated hereby, Seller has acquired and/or will acquire Confidential Information, the use or disclosure of which could cause the Business, Buyer and/or its Affiliates substantial loss and damages that could not be readily calculated and for which no remedy at law would be adequate. Accordingly, Seller covenants and agrees with Buyer that Seller will not, and will cause its Affiliates not to, at any time, directly or indirectly, use, disclose or publish, any Confidential Information, unless (A) such information becomes generally known to the public through no breach of this Section 5.3(b) by Seller or any of its Affiliates or (B) the disclosing Party is advised in writing by counsel that disclosure is required by Law or the order of any Governmental Authority of competent jurisdiction under color of Law; provided that prior to disclosing any information pursuant to clause (B) above, such Person shall, to the extent legally permissible, give prior written notice thereof to Buyer and provide Buyer with the opportunity to contest such disclosure and shall, at Buyer’s expense, cooperate with efforts to prevent such disclosure.

(c) Reasonable Restraint. Seller acknowledges, in connection with the prohibited activities restrictions herein that: (i) the covenants in this Section 5.3 impose a reasonable restraint in light of the activities the Business on the date of this Agreement and the current plans of Buyer, Seller and the Business; (ii) it is the intention of the Parties that the entire goodwill of the Business be transferred to Buyer as part of the transactions contemplated hereby; (iii) that Seller and Buyer explicitly considered the value of the goodwill to be transferred and that such goodwill is valued as a component of the consideration to be paid by Buyer pursuant to the terms hereof; and (iv) that the covenants set forth in this Section 5.3 are a material and substantial part of the transactions contemplated hereby (supported by adequate consideration), and Buyer’s failure to receive the entire goodwill contemplated hereby would have the effect of significantly reducing the value of the Business to Buyer.

(d) Reformation. If the courts of any one or more jurisdictions hold any of the covenants or agreements contained in this Section 5.3 to be unenforceable by reason of its extending for too long a period of time or over too large a geographical area or by reason of its being too extensive in any other respect, it shall be interpreted to extend only over the longest period of time for which it may be enforceable, and/or over the largest geographical area as to which it may be enforceable and/or to the maximum extent in all other respects as to which it may be enforceable, all to the fullest extent which such courts deems reasonable and the Agreement shall thereby be reformed. If the courts of any one or more of such jurisdictions hold any of such covenants or agreements wholly unenforceable by reason of the breach of their scope or otherwise, it is the intention of the Parties that such determination not bar or in any way affect any Party’s right to relief provided in the courts of any other jurisdiction within the geographical

scope of such covenants or agreements, with breaches of such covenants or agreements in such other jurisdiction being, for this purpose, severable into diverse and independent covenants.

(e) Specific Performance. Seller acknowledges that Buyer will be irreparably harmed and that remedies at law would be inadequate for any actual or threatened breach (for the avoidance of doubt, “threatened breach” as used in this paragraph shall mean the anticipatory repudiation by a Party of its obligations under this Section 5.3) by Seller of any of the covenants or agreements contained in this Section 5.3. It is accordingly agreed that, in addition to any other remedies which may be available upon the actual or threatened breach of any such covenants or agreements, Buyer shall have the right to equitable relief (including in the form of injunctions and orders for specific performance (in each case, without the proof of actual damages) to restrain a breach or threatened breach of, or otherwise to obtain specific performance of, Seller’s covenants and agreements contained in this Section 5.3, in any court having jurisdiction over the Parties and the matter. Seller agrees to waive any requirement for the security or the posting of any bond in connection with any such remedy or relief.

(f) Independent Covenant. All of the covenants in this Section 5.3 shall be construed as an agreement independent of any other provision in the Transaction Documents, and the existence of any claim or cause of action of Seller against Buyer, whether predicated on this Agreement or otherwise, shall not constitute a defense to the enforcement by Buyer of such covenants. The Parties expressly acknowledge that the terms and conditions of this Section 5.3 are independent of the terms and conditions of any other agreements including any employment agreements entered into in connection with this Agreement. The covenants contained in Section 5.3 shall not be affected by any breach of any other provision hereof by any Party.

5.4 Transaction Confidentiality Agreements. Effective as of the Closing, (a) to the extent any right or interest of Seller under any Transaction Confidentiality Agreement is assignable without the consent of a Third Party, Seller hereby assigns to Buyer all rights and interests under any Transaction Confidentiality Agreement to which Seller is a party, and (b) to the extent any right or interest of Seller under a Transaction Confidentiality Agreement is not assignable without the consent of a Third Party, Seller agrees to enforce its rights under any such Transaction Confidentiality Agreement for the benefit of Buyer and its Affiliates as Buyer directs.

#### 5.5 Further Assurances.

(a) From time to time after the Closing Date, upon request of any Party, each Party shall execute, acknowledge and deliver all such other instruments and documents and shall take all such other actions required to consummate and make effective the transactions contemplated by the Transaction Documents, to put Buyer in possession and control of all of the Acquired Assets of a tangible nature and to vest Buyer with responsibility for all Assumed Liabilities; provided that Buyer shall not be required to pay any further consideration or amounts therefor.

(b) If at any time or from time to time after the Closing, Seller or any of its Affiliates, on the one hand, or Buyer or any of its Affiliates, on the other hand, shall receive or otherwise possess any asset or right (including cash) that should belong to Buyer, on the one

hand, or Seller, on the other, pursuant to this Agreement, Seller or Buyer (as the case may be) shall promptly transfer, or cause to be transferred, such asset or right to the Person so entitled thereto. Prior to any such transfer in accordance with this Section 5.5(b), the Person receiving or possessing such asset shall hold such asset in trust for such other Person. Without limitation of the foregoing, in the event Seller or any of its Affiliates receives any payment in respect of any Acquired Asset or Buyer or any of its Affiliates receives any payment in respect of an Excluded Asset, Seller or Buyer (as applicable) shall promptly deliver such payment to an account designated in writing by Buyer or Seller (as applicable) by wire transfer of immediately available funds.

(c) Buyer acknowledges that Seller intends to sell, transfer, assign or convey all or part of its rights to Contingent Payments under Section 1.6 of this Agreement to Marathon Holdings and/or its other Affiliates and then ultimately to a Third Party acquirer or acquirers of such contingent payment rights. Buyer hereby consents to any such sale(s), transfer(s), assignment(s) or conveyance(s) and agrees, in connection therewith, to, from time to time after the Closing Date upon the reasonable request of Seller and/or Marathon Holdings, (i) to reasonably assist with any due diligence with respect thereto or the execution thereof, including authorizing Seller to provide the Contingent Payment Reports to Marathon Holdings, Seller's and Marathon Holdings' respective Affiliates and/or such potential Third Party acquirer(s) (provided that Marathon Holdings, Seller's and Marathon Holdings' respective Affiliates and any such potential Third Party acquirer(s) execute and deliver to Buyer reasonable confidentiality agreements designated by Buyer) and providing access to Seller, Marathon Holdings and/or their respective Affiliates or such Third Party acquirer(s) to Buyer's Product Books and Records and such additional financial and operating data and other information relating to the Business, as Seller and/or Marathon Holdings may from time to time reasonably request, and (ii) to execute, acknowledge and deliver all such other instruments and documents and take all such other actions required to consummate and make effective such transactions.

5.6 Sharing of Data. Buyer shall have the right for a period of seven (7) years following the Closing Date to have reasonable access to those books, records and accounts, including financial and accounting records (including the work papers of Seller's independent accountants), Tax records, correspondence, production records, employment records and other records that are retained by Seller pursuant to the terms of this Agreement to the extent that any of the foregoing is needed by Buyer for the purpose of conducting the Business after the Closing and complying with its obligations under applicable securities, Tax, environmental, employment or other Laws. Seller shall not destroy any such books, records or accounts retained by it without first providing Buyer with the opportunity to obtain or copy such books, records, or accounts at Buyer's expense. Promptly upon request by Buyer made at any time following the Closing Date, Seller shall authorize the release to Buyer of all files pertaining to the Acquired Assets or the Business held by any federal, state, county or local authorities, agencies or instrumentalities.

5.7 Use of Marathon Pharma Name. Seller shall not use, and shall not permit any Affiliate to use, the Marathon Pharma Name after the Closing Date in connection with any business related to, competitive with, or an outgrowth of, the Business. At the Closing, Seller shall amend its Charter Documents and other corporate records, if necessary, to comply with this provision.

## 5.8 Transitional Seller Labeling License.

(a) Seller hereby grants to Buyer, and Buyer hereby accepts, a non-exclusive, non-transferable, non-sublicensable, royalty-free, paid-up, license in the Territory under the Seller Labeling, for use solely in connection with Buyer's sale of the Inventory that is in Seller Labeling as of the Closing Date and included in the Acquired Assets (the "Seller Labeled Inventory") in the Territory during the period commencing on the Closing Date and ending on the earlier of (i) the expiry of such Seller Labeled Inventory or (ii) the twenty-four (24) month anniversary of the Closing Date. Buyer acknowledges and agrees that the foregoing licenses are being granted solely for transitional purposes and Buyer shall therefore, notwithstanding the license periods provided for above for such licenses, use commercially reasonable efforts to transition away from so using the Seller Labeling as soon as reasonably practicable after the Closing Date. Promptly upon the expiration of the foregoing applicable license period, Buyer shall, and shall cause its Affiliates to, cease any and all use of the Seller Labeling and destroy and dispose of all Seller Labeled Inventory.

(c) Buyer acknowledges Seller's ownership of the Seller Labeling, shall do nothing inconsistent with such ownership, and agrees not to challenge Seller's title to the Seller Labeling. Nothing in this Agreement shall give Buyer any right, title or interest in the Seller Labeling other than the right to use the Seller Labeling strictly in accordance with this Section 5.8. All use of the Seller Labeling by Buyer under this Section 5.8 shall conform to the standards followed by Seller in operating the Business prior to the Closing Date, and Seller shall have the right to review the standards used by Buyer with respect to Buyer's use of the Seller Labeling under this Section 5.8.

(d) The Parties understand and agree that, in addition to all other legal remedies, Seller shall be entitled to immediate injunctive relief in order to enforce the terms of this Section 5.8.

(e) Nothing in this Section 5.8, or any other provision of this Agreement or any provision of the Transaction Documents, shall grant Buyer any rights in any of Seller's Internet domain names, registrations or applications for registration, or renewals thereof, registered in the United States or any other country or jurisdiction throughout the world, except as such Internet domain names, registrations or applications for registration, or renewals thereof are included as part of the Acquired Assets.

(f) Buyer shall, at its own expense, use commercially reasonable efforts to cause the Products to be manufactured and packaged in Buyer Labeling and Buyer's NDC numbers and released for marketing, sale and distribution in the Territory as soon as reasonably practicable after the Closing (including obtaining any required FDA approvals for the same).

## 5.9 Employees.

(a) Between the date of this Agreement and the third (3rd) Business Day prior to the anticipated Closing Date, Buyer shall be permitted, at Buyer's discretion, to interview and offer employment to any or all of the employees of Seller engaged in the Business, terminable at the will of Buyer. Attached hereto as Schedule 5.9(a) is a list of the employees of Seller engaged in the Business to whom Buyer has decided to offer employment on approximately the same aggregate compensation levels as they currently have with Seller (after taking into account, among other things, base salary, bonus, equity and equity-like incentives and other benefits and incentives); it being understood that Buyer may decide to offer employment to additional employees of Seller engaged in the Business after the date of this Agreement. On the Closing Date, prior to the Closing, Buyer shall deliver to Seller a list of the employees of Seller engaged in the Business to whom Buyer has offered employment, and who have accepted such offer of employment, pursuant to this Section 5.9(a) (together with any additional employees of Seller engaged in the Business who have outstanding offers of employment with Buyer as of the Closing Date and who accept such offers of employment from Buyer within five (5) Business Days after the Closing Date, the "Transferred Employees"). Seller hereby consents to the hiring of any such Transferred Employees and waives, with respect to the employment by Buyer of such Transferred Employees, any claims or rights Seller may have against Buyer or any such Transferred Employee under any non-competition, confidentiality or employment agreement.

(b) From and after the Closing Date, Buyer shall, or shall cause its Subsidiaries to assume, honor, pay, perform and satisfy any and all Liabilities arising after the Closing in respect of each Transferred Employee, including under the Seller Separation Plan.

(c) The Parties agree that COBRA liability shall follow the asset sale rules of Treas. Reg. section 54.4980B-9 that an individual who separates from service from Seller and as a result loses applicable coverage is an M&A qualified beneficiary, and that Seller shall have the responsibility to offer COBRA coverage to all M&A qualified beneficiaries.

5.10 Public Announcements and Communications. Except as may be restricted by applicable Law, the Parties shall provide notice and opportunity to consult regarding advocacy strategy with respect to the Business through December 31, 2017. No Party shall issue any press release or public announcement relating to the subject matter of this Agreement except for the press release and other approved statements substantially in the form of Exhibit L attached hereto and such other press releases or public announcements relating to the subject matter of this Agreement as may be mutually agreed upon by the Parties.; provided, however, that any Party may make any public disclosure it believes in good faith is required by applicable Law or stock market rule (in which case the disclosing party shall use reasonable best efforts to advise (a) Seller in the event that the disclosing party is Buyer or (b) Buyer in the event the disclosing party is Seller, and provide the applicable advised party with a copy of the proposed disclosure prior to making the disclosure).

5.11 Additional Post-Closing Covenants Regarding Adverse Event Reporting. From and after the Closing and at no cost to Buyer, Seller shall promptly forward or cause to be promptly forwarded to Buyer any adverse drug event calls or reports with respect to any of the Products.

## 5.12 Standstill.

(a) For the duration of the Restricted Period, unless Buyer has specifically invited Seller to do so in writing, Seller shall not in any manner, directly or indirectly: (i) effect or seek, offer or propose (whether publicly or otherwise) to effect, or cause or participate in or in any way advise, assist or encourage any other Person to effect or seek, offer or propose (whether publicly or otherwise) to effect or participate in, any acquisition of any securities (or beneficial ownership thereof) or assets of Buyer; (ii) form, join or in any way participate in a “group” (as defined under the Exchange Act) with respect to any securities of Buyer; (iii) negotiate with or provide any information to any Person (other than Seller’s Representatives in accordance with this Agreement) with respect to, or make any statement or proposal to any Person (other than Seller’s Representatives in accordance with this Agreement) with respect to, or make any public announcement or proposal or offer whatsoever with respect to, or act as a financing source for or otherwise invest in any other Persons in connection with, or otherwise solicit, seek or offer to effect any transactions or actions described, or take any action which might force Buyer to make a public announcement regarding any of the types of matters set forth in clause (i) above; or (iv) enter into any discussions or arrangements with any Third Party with respect to any of the foregoing.

(b) Seller also agrees during the Restricted Period not to request Buyer (or its directors, officers, employees or agents), directly or indirectly, to amend or waive any provision of this Section 5.12 (including this sentence). Seller represents and warrants that, prior to the Closing, Seller does not own of record or beneficially, any voting securities of Buyer, or any securities convertible into or exercisable for any such voting securities.

(c) Seller’s obligations under this Section 5.12 shall not apply in the event that and during the Restricted Period: (i) Buyer publicly announces that it has entered into an agreement with any Person or group which provides for (A) the acquisition by such Person or group of more than fifty percent (50%) of the Buyer Common Stock or all or substantially all the consolidated assets of Buyer or (B) any merger, consolidation or similar business combination pursuant to which more than fifty percent (50%) of the outstanding Buyer Common Stock would be converted into cash or securities of such Person or group (each, a “Third Party Acquisition”) until such time, if applicable, that such agreement is terminated in accordance with its terms; (ii) after the Governing Body of Buyer recommends that stockholders of Buyer tender their shares or vote in favor of a Third Party Acquisition until such time, if applicable, that such recommendation is withdrawn or terminated or expires in accordance with its terms; or (iii) after any Person or group acquires beneficial ownership of more than fifty percent (50%) of the outstanding Buyer Common Stock. The expiration or tolling of Seller’s obligations under this Section 5.12 shall not terminate or otherwise affect any other provision in this Agreement.

(d) For the avoidance of doubt, the restrictions set forth in this Section 5.12 shall not restrict or otherwise limit Seller’s ability to transfer shares of Buyer Common Stock in accordance with Section 5.14.

## 5.13 Voting Agreement.

(a) During the Restricted Period, other than as permitted by Section 5.13(b) with respect to Extraordinary Matters, in any vote or action by written consent of the stockholders of Buyer (including with respect to the election of directors), Seller shall vote or execute a written consent with respect to the Buyer Common Stock to which Seller or any member of the Seller Group is or may be entitled to vote at any meeting in accordance with the recommendation of the Governing Body of Buyer. In furtherance of this Section 5.13, Seller hereby irrevocably appoints Buyer and any individuals designated by Buyer (such designated individuals to be limited to the Chairman, Chief Executive Officer, Chief Financial Officer or Secretary of Buyer), and each of them individually, as the attorneys, agents and proxies, with full power of substitution and re-substitution in each of them, for Seller, and in the name, place and stead of Seller, to vote (or cause to be voted) in such manner as set forth in this Section 5.13 (but in any case, excluding any matter that is an Extraordinary Matter described in Section 5.13(b)) with respect to the Buyer Common Stock to which Seller is or may be entitled to vote at any meeting of Buyer held after the Closing Date, whether annual or special and whether or not an adjourned meeting (the "Irrevocable Proxy"). This Irrevocable Proxy is coupled with an interest, shall be irrevocable and binding on any successor in interest of Seller or any member of the Seller Group and shall not be terminated by operation of Law upon the occurrence of any event. This Irrevocable Proxy shall operate to revoke and render void any prior proxy as to voting securities heretofore granted by Seller which is inconsistent herewith. Notwithstanding the foregoing, the Irrevocable Proxy shall be effective if, at any annual or special meeting of the stockholders of Buyer and at any adjournments or postponements of any such meetings, Seller

(A) fails to appear or otherwise fails to cause its voting securities of Buyer to be counted as present for purposes of calculating a quorum, or (B) fails to vote such voting securities in accordance with this Section 5.13, in each case at least two (2) Business Days prior to the date of such stockholders' meeting. The Irrevocable Proxy shall terminate upon the earlier of the expiration or termination of the Restricted Period and, with respect to any share of Buyer Common Stock, the Disposition of such share to a Third Party not in violation of this Agreement.

(b) Seller may vote, or execute a written consent with respect to, any or all of the voting securities of Buyer as to which they are entitled to vote or execute a written consent, as they may determine in their sole discretion, with respect to the following matters (each such matter being an "Extraordinary Matter"):

(i) any transaction which would result in a Change of Control of Buyer; and

(ii) any liquidation or dissolution of Buyer.

(c) In furtherance of Section 5.13(a), Seller and each member of the Seller Group shall be present in person or represented by proxy at all meetings of stockholders to the extent necessary so that all voting securities of Buyer as to which they are entitled to vote shall be counted as present for the purpose of determining the presence of a quorum at such meeting.

#### 5.14 Restrictions on Dispositions.

(a) During the Restricted Period, without the prior written approval of Buyer, Seller shall not Dispose of any shares of Buyer Common Stock; provided, however, that the

foregoing restriction shall not prohibit, subject to compliance with Section 5.14(b), the other terms of this Agreement and applicable Laws, including applicable securities Laws, Seller, from

- (i) making a distribution of shares of Buyer Common Stock to Marathon Holdings and its and Marathon Holdings' respective equityholders which are "accredited investors" (as defined in Regulation D promulgated under the Securities Act) in connection with the liquidation and winding up of Marathon Holdings and/or Seller, in each case, in accordance with the applicable distribution provisions set forth in the Charter Documents of Marathon Holdings and Seller, and
- (ii) at any time from and after the date that is six (6) months following the Closing Date until the date that is twelve (12) months following the Closing Date, Disposing of Buyer Common Stock in amounts during any three (3) month time period that do not exceed the limit provided in Rule 144(e)(1) under the Securities Act.

(b) Seller shall cause any Person that acquires shares of Buyer Common Stock pursuant to Section 5.14(a)(i) that, together with such Person's Affiliates, beneficially owns five percent (5%) or more of outstanding shares of voting stock of Buyer after giving effect to such acquisition, as a condition to such Disposition, to agree in writing with Buyer to be subject to and bound by all the restrictions and obligations set forth in Sections 5.12, 5.13 and 5.14 to the same extent as Seller. In furtherance and not in limitation of the foregoing, Seller shall cause each such Person to promptly execute and deliver to Buyer an irrevocable proxy, substantially in the form of Exhibit I attached hereto.

(c) Notwithstanding any other provision of this Section 5.14, this Section 5.14 shall not prohibit or restrict any Disposition of shares of Buyer Common Stock by Seller into (i) a tender offer by, or a merger involving, a Third Party which is not opposed by the Governing Body of Buyer (but only after Buyer's filing of a Definitive Proxy Statement or Schedule 14D-9, or any amendment thereto, with the SEC disclosing the recommendation of the Governing Body of Buyer with respect to such tender offer) or (ii) an issuer tender or exchange offer by Buyer.

(d) At any time from and after the expiration of the Restricted Period, upon the written request of Seller notifying of its intention to Dispose of any of its respective Buyer Common Stock in accordance with this Section 5.14, the Buyer shall cause its legal counsel (whether in-house or outside legal counsel) to deliver to the Buyer's stock transfer agent or other applicable Person, a legal opinion in the appropriate form of opinion, both forms of which are attached hereto as Exhibit J (the "Legal Opinion"), and shall instruct (and take any actions as may be necessary to cause) such stock transfer agent or other Person to remove any and all legends appearing on shares of Buyer Common Stock proposed to be Disposed of to any Third Party; provided, that Seller has first provided Buyer with an executed copy of a representation letter in the appropriate form of representation letter, both forms of which are attached hereto as Exhibit K. Buyer hereby acknowledges and agrees that the Legal Opinion shall satisfy any requirements for the form of an "opinion of counsel" referred to herein or in any of the Restrictive Legends from time to time.

5.15 Reports Under the Exchange Act. With a view to making available to the holders of the Buyer Common Stock the benefits of SEC Rule 144 and any other rule or regulation of the SEC that may at any time permit a holder to sell securities of the Buyer to the public without

registration, Buyer shall at all times beginning on the date that is six (6) months following the Closing Date until the date that is one (1) year following the Closing Date:

- (a) make and keep available adequate current public information, as those terms are understood and defined in SEC Rule 144;
- (b) use commercially reasonable efforts to file with the SEC in a timely manner all reports and other documents required of the Buyer under the Securities Act and the Exchange Act;
- (c) furnish to Seller or any holder of the Buyer Common Stock that acquires shares of Buyer Common Stock pursuant to Section 5.14, which are marked with a legend restricting transfer thereof, so long as such holder owns any Buyer Common Stock, forthwith upon request: (i) to the extent accurate, a written statement by Buyer that it has complied with the reporting requirements of SEC Rule 144, the Securities Act, and the Exchange Act; and (ii) such other information as may be reasonably requested in availing any such holder of any rule or regulation of the SEC that permits the selling of any such securities without registration; and
- (d) notify Seller in writing as soon as practicable in the event Buyer has failed to comply with, or reasonably believes it will be unable to comply with, subsections (a) and (b) above.

5.16 NDC Numbers, Product Returns, Rebates and Chargebacks.

(a) NDC Numbers. Following the Closing Date, Buyer shall obtain its own NDC numbers for the Products as soon as reasonably practicable after FDA approval of the transfer of such Products' NDA's and, in any event, within thirty (30) Business Days after the Closing Date. Buyer shall use commercially reasonable efforts to have in place as soon as reasonably practicable after the Closing Date all resources such that sales of such Products (other than Seller Labeled Inventory) can be accomplished under the NDC numbers of Buyer. Thereafter, Buyer shall use the NDC numbers issued in Buyer's (or its Affiliate's) name on all inventory, invoices, orders and other communications with customers and Governmental Authorities with respect to sales of such Products (other than Seller Labeled Inventory).

(b) Product Returns.

(i) If Seller Elects to Launch the Products Prior to the Closing Date. The following shall apply if and only if Seller elects to Launch the Products prior to the Closing Date under and in accordance with Section 4.8 of this Agreement.

(A) Seller shall be financially responsible for all costs associated with any customer or wholesaler returns of Products, if any, identified by lot or split-lot number ("Product Returns"), appropriately accepted under Seller's returned goods policy at the time of such Product Returns for any Product that was sold on or before the Closing Date; provided, that Product Returns shall not include any Products sold by Buyer or its Affiliates or designees. Buyer shall be financially responsible for all costs associated with any Product Returns of any (1) Product included in Seller Labeled Inventory and (2) Product bearing Buyer's

NDC numbers, in either case (1) or (2) that is sold after the Closing Date. Seller shall have delivered to Buyer at and as of the Closing Date a schedule containing the lot or split-lot number, as applicable, and units per lot of (x) the Products, if any, sold on or before the Closing Date and

(y) the Products included in Seller Labeled Inventory. Any Product Returns for (xx) Products included in the Seller Labeled Inventory and (yy) Product bearing Buyer's NDC numbers, in either case (xx) or (yy) that is sold following the Closing Date will be made in accordance with Buyer's returned goods policy at the time of such Product Return, unless otherwise mutually agreed by Buyer and Seller.

(B) Except as set forth herein, Buyer shall be responsible for processing all Product Returns received after the Closing Date irrespective of when and by whom the returned Product was shipped and, in connection therewith, shall direct to Seller any wholesaler, distributor or customer seeking a Product Return of Product, if any, sold by Seller on or before the Closing Date but shall not make any refunds, grant any credits or take any other action with respect thereto.

(C) Each Party agrees it will not take, directly or indirectly, any action that would provide any incentive or otherwise induce or motivate customers or wholesalers to return the Products, except as the Parties may otherwise mutually agree. In addition, notwithstanding anything to the contrary in this Section 5.16(b), Buyer agrees that Seller shall not bear any financial liability for Product Returns in excess of the financial liability that Seller would have borne under the return policies of Seller or its Affiliates in effect as of the Closing Date with respect to the Products, excluding, for example, for clarity, any additional financial liability for Product Returns arising from or related to changes implemented by Buyer or its Affiliates after the Closing in the return policies of Seller or its Affiliates with respect to the Products or differences in the return policies of Seller or its Affiliates effectuated with respect to the Products.

(D) Procedures. Within thirty (30) days after the end of each calendar quarter, Buyer shall submit to Seller an invoice and supporting documentation relative to all Product Returns received during the preceding calendar quarter for which Seller is financially responsible pursuant to this Section 5.16(b). Such invoice and the supporting documentation shall set forth the following detail: (i) where applicable, the stock-keeping-unit number and lot or split-lot code of the returned Product and the date the returned Product was received by Buyer, if applicable; (ii) the name and address of the customer or wholesaler returning such returned Product; (iii) the reason given by such customer or wholesaler for the return, if applicable; (iv) the cost of performing such return, provided, however such cost shall include only the cost of replacing or refunding the returned Product (based on Seller's cost of the returned Product as of the Closing Date). Unless Seller contests such invoice in accordance herewith, Seller shall remit the total invoiced amount to Buyer within thirty (30) days after its receipt of such invoice. In the event Seller in good faith disagrees with such invoice, the Parties shall, for a period not to exceed thirty (30) days, negotiate in good faith to resolve such dispute. In the event a resolution is not reached within two (2) Business Days after the end of such thirty (30)-day period, if such disputed amount exceeds \$100,000, Seller and Buyer shall submit the items remaining in dispute for resolution to a mutually acceptable independent arbitrator for resolution by such arbitrator with a thirty (30)-day period. In the event the Parties cannot mutually agree on an independent arbitrator, Buyer and Seller shall each select an independent

arbitrator, and direct such independent arbitrators to select a third arbitrator to resolve the dispute. The decision of such third arbitrator shall be binding upon the Parties and the resulting determination shall be final and binding upon the Parties. The Parties shall equally split the reasonable fees and expenses of any arbitrator associated with the resolution of such dispute.

(ii) If Seller Elects Not to Launch the Products Prior to the Closing Date. If Seller elects not to Launch the Products prior to the Closing Date under and in accordance with Section 4.8 of this Agreement, (A) Buyer shall be financially responsible for all costs associated with any customer or wholesaler returns of all Products, regardless of whether they bear Seller's NDC numbers or Buyer's NDC numbers, including, but not limited to, Product included in the Seller Labeled Inventory and Product bearing Buyer's NDC numbers, which returns shall be made in accordance with Buyer's returned goods policy at the time of such return, unless otherwise mutually agreed by Buyer and Seller; and (B) Buyer shall be responsible for processing all such returns.

(c) Government Rebates

(i) If Seller Elects to Launch the Products Prior to the Closing Date. The following shall apply if and only if Seller elects to Launch the Products prior to the Closing Date under and in accordance with Section 4.8 of this Agreement. Responsibility for rebates relating to the sale of the Products pursuant to any government (federal or state) drug rebate programs (including, but not limited to, Medicaid and Medicare gap coverage plans) ("Government Rebates") shall be allocated between Seller and Buyer as follows:

(A) Seller shall be responsible for all Government Rebates relating to Products bearing Seller's NDC numbers that can be identified by invoice or otherwise as having been sold by or on behalf of Seller prior to the Closing Date, and for Products bearing Seller's NDC numbers that cannot be so identified, for any Government Rebate claims relating to Product sold or dispensed to customers prior to the Closing Date; provided, however, that notwithstanding anything in this Section 5.16(c) to the contrary, Buyer agrees that Seller shall not bear any financial liability for Government Rebates under this Section 5.16(c) in excess of the Government Rebate financial liability that Seller would have borne with respect to the sale of Products at Seller's commercial prices for the Products in effect as of the Closing Date.

(B) Buyer shall be responsible for all Government Rebates with respect to Products that can be identified by invoice or otherwise as having been sold by or on behalf of Buyer (including (1) Product bearing Seller's NDC numbers and included in the Seller Labeled Inventory and (2) Product bearing Buyer Labeling or Buyer's NDC numbers, in either case (1) or (2) that is sold after the Closing Date).

(ii) If Seller Elects Not to Launch the Products Prior to the Closing Date. If Seller elects not to Launch the Products prior to the Closing Date, Buyer shall be solely responsible for and with respect to all Government Rebates relating to the Products, regardless of whether they bear Seller's NDC numbers or Buyer's NDC numbers, which includes, but is not limited to, all obligations to make any and all submissions, certifications, and payments (including, but not limited to, any penalties or late fees) related to such Government Rebates. Buyer shall: (A) ensure that Seller receives all Government Rebate-related correspondence or

other notifications from the applicable Governmental Authority related to such Government Rebates; and (B) indemnify and hold harmless Seller from all liability arising from or with respect to such Government Rebates.

(d) Commercial Rebates.

(i) Seller does not offer commercial rebates with respect to the Products.

(ii) Buyer shall be responsible for all commercial rebates (“Commercial Rebates”) offered, if any, following the Closing with respect to the Products, including (A) each Product bearing Seller’s NDC numbers and included in the Seller Labeled Inventory and (B) each Product bearing Buyer Labeling or Buyer’s NDC numbers, in either case (A) or (B) that is sold after the Closing Date.

(e) Chargeback Claims.

(i) If Seller Elects to Launch the Products Prior to the Closing Date. The following shall apply if and only if Seller elects to Launch the Products prior to the Closing Date under and in accordance with Section 4.8 of this Agreement:

(A) Seller shall process and be financially responsible for all chargeback claims (the “Chargeback Claims”) relating to Products bearing Seller’s NDC numbers that can be identified by invoice or otherwise as having been sold by or on behalf of Seller prior to the Closing Date. For Products that cannot be so identified, Seller shall process and be financially responsible for all Chargeback Claims relating to Product sold prior to the Closing Date and during the thirty (30)-day period following the Closing Date (the “Chargeback Tail Period”). The date on which Products shall be deemed to have been sold pursuant to the preceding sentence shall be the date on which it was shipped by the applicable wholesaler. Notwithstanding anything in this Section 5.16(e)(i) to the contrary, Buyer agrees that Seller shall not bear any financial liability for Chargeback Claims under this Section 5.16(e)(i) in excess of the Chargeback Claim financial liability that Seller would have borne with respect to the sale of Products at Seller’s commercial prices for the Products in effect as of the Closing Date, as evidenced by the applicable invoice date. Buyer shall process and be financially liable for all Chargeback Claims related to any other Products that can be identified by invoice or otherwise as having been sold by or on behalf of Buyer after the Closing Date, including (1) Products bearing Seller’s NDC numbers and included in Seller Labeled Inventory and (2) Products bearing Buyer’s NDC numbers, in either case (1) or (2) that is sold after the Closing Date. In addition, for Products that cannot be so identified, Buyer shall process and be financially responsible for Chargeback Claims relating to Product sold after the Chargeback Tail Period. The date on which Products shall be deemed to have been sold pursuant to the preceding sentence shall be the date on which it was shipped by the applicable wholesaler, as evidenced by the applicable invoice date. Seller shall utilize records from Third Party rebate administrators to demonstrate which chargebacks relate to the Products sold by the wholesaler or distributor, as evidenced in the invoice date within the Chargeback Claims, on, prior to or after the Closing Date or during or after the Chargeback Tail Period for purposes of determining Seller’s and Buyer’s obligations under this Section 5.16(e)(i).

(B) Within fifteen (15) Business Days after the Closing Date, Buyer shall (1) (aa) cause the VA to approve the addition of the Products (including Seller Labeled Inventory) to Buyer's Master Agreement/Pharmaceutical Pricing Agreement/Federal Supply Schedule Contract ("FSS") or (bb) obtain an interim FSS contract in Buyer's (or its Affiliate's) name for the Products (including Seller Labeled Inventory); (2) obtain an interim Medicaid Drug Rebate Program Agreement in Buyer's (or its Affiliates') name with the Centers for Medicare and Medicaid Services; and (3) obtain a 340B Pharmaceutical Pricing Agreement in Buyer's (or its Affiliates') name with the Health Resources and Services Administration.

(C) Buyer and Seller agree that (i) Seller's financial liability for the Chargeback Claims shall be limited to those commercial customers with which Seller or any of its Affiliates has chargeback obligations as of the Closing Date, and (ii) any such chargebacks issued by Seller shall be made on terms and conditions comparable to Seller's obligations as of the Closing Date with respect to each customer and shall be solely based on the terms and conditions of Seller's agreements with the respective customer, as such terms and conditions existed as of the Closing Date.

(ii) If Seller Elects Not to Launch the Products Prior to the Closing Date. If Seller elects not to Launch the Products prior to the Closing Date, Buyer shall be solely responsible for and with respect to all Chargeback Claims relating to the sale of the Products, regardless of whether they bear Seller's NDC numbers or Buyer's NDC numbers.

(f) Within five (5) Business Days after each calendar month, Buyer shall provide to Seller or Seller's designated Third Party vendor all information required for or with respect to any Government Rebates, Chargeback Claims or other government program calculations relating to Products marked with Seller's NDC numbers. Seller or Seller's designated Third Party vendor shall provide Buyer with Government Rebate invoices, which shall be due and payable in full by Buyer within five (5) Business Days to Seller's designated bank account.

(g) If either Party (the "Non-Responsible Party") receives an invoice with respect to a Government Rebate, Commercial Rebate or Chargeback Claim that is the responsibility of the other Party (the "Responsible Party"), such Non-Responsible Party shall promptly provide a copy of such invoice and other relevant information (i.e., the State, NDC number, units involved, amount and such other information as may be reasonably requested) to the Responsible Party, and such Responsible Party shall have twenty (20) days following receipt of such invoice to notify the Non-Responsible Party that it intends to dispute such invoice. If the Responsible Party does not so notify the Non-Responsible Party within such twenty (20)-day period, such Non-Responsible Party shall be permitted to remit payment in respect of such invoice on the Responsible Party's behalf and the Responsible Party shall reimburse the Non-Responsible Party for such payment within thirty (30) days after receipt of an undisputed invoice therefor. If the Responsible Party provides such notice to the Non-Responsible Party within such twenty (20)-day period, then the Responsible Party shall promptly initiate a dispute of such invoice at its sole cost and expense and shall be liable for all reasonable costs and expenses (including reasonable attorney fees) of the Non-Responsible Party required to prosecute the disputed invoice. In the event that an invoice is disputed by the Responsible Party, the Non-Responsible Party shall not remit payment in respect of such invoice without the Responsible

Party's prior written consent; provided that any late fees, interest or other penalties that are ultimately owing due to delayed payment on such invoice shall be satisfied by the Responsible Party; provided, further, that, notwithstanding the foregoing, the Non-Responsible Party may, in its sole discretion, pay any such disputed invoice without the consent of the Responsible Party, but in such case the Non-Responsible Party shall be entitled to reimbursement by the Responsible Party only with respect to amounts, if any, that are finally owing following settlement of the related dispute.

5.17 Buyer Launch. If Seller elects not to Launch the Products prior to the Closing Date, Buyer agrees that it will Launch the Products in the United States within ten (10) days after the Closing Date.

5.18 Certain Financial Statements. Within twenty (20) days following the Closing, Seller shall deliver to Buyer the following financial statements and related notes to financial statements in a form that complies with the requirements of Item 9.01 of Form 8-K and Rule 3-05 of Regulation S-X of the SEC for a business acquisition required to be described in answer to Item 2.01 of Form 8-K: (i) balance sheets of the Business as of March 31, 2017, December 31, 2016 and December 31, 2015, (ii) a statement of operations, comprehensive income/(loss), group equity and cash flows of the Business for the two (2) year period ended December 31, 2016 and (iii) a statement of operations, comprehensive income/(loss), and cash flows of the Business for the three (3) month periods ending March 31, 2017 and March 31, 2016. Such annual financial statements shall be accompanied by an unqualified opinion from Seller's independent accounting firm stating that such financial statements present fairly, in all material respects, the consolidated financial position, as well as the consolidated results of operations, comprehensive income/(loss), equity and cash flows, of the Business for the annual periods covered by such financial statements, in conformity with GAAP. Such interim financial statements shall also be reviewed in accordance with AICPA standards by Seller's independent accounting firm. The cost of preparing such financial statements shall be borne by Seller. Following the Closing, Seller shall provide Buyer with such additional information, including reliance letters from Seller's independent accounting firm, as Buyer may reasonably request in order to comply with the requirements for financial statements included in Annual Reports on Form 10-K or Quarterly Reports on Form 10-Q filed under the Exchange Act, as applicable. Seller acknowledges that Seller's failure to deliver the financial statements required under this Section 5.18 within twenty (20) days following the Closing may adversely affect Buyer's ability to perform its obligations under Section 5.15(a), and Seller hereby waives any claim that it may have under Section 5.15(a) to the extent that Buyer's non-performance of its obligations thereunder result from Seller's failure to deliver such financial statements.

(d) by Buyer (if it is not in material breach of its representations, warranties, covenants and obligations under the Transaction Documents) if there has been a breach of, or inaccuracy in, any representation, warranty, covenant or agreement of Seller set forth in the Transaction Documents, which breach or inaccuracy would cause any condition set forth in Section 6.1 not to be satisfied if it remained uncured as of the Termination Date (and such breach or inaccuracy has not been cured or such condition has not been satisfied within ten (10) Business Days after the receipt of written notice thereof);

(e) by Seller (if it is not in material breach of its representations, warranties, covenants and obligations under the Transaction Documents) if there has been a breach of, or inaccuracy in, any representation, warranty, covenant or agreement of Buyer set forth in the Transaction Documents, which breach or inaccuracy would cause any condition set forth in Section 6.2 not to be satisfied if it remained uncured as of the Termination Date (and such breach or inaccuracy has not been cured or such condition has not been satisfied within ten (10) Business Days after the receipt of written notice thereof);

If the Closing occurs, Seller covenants and agrees to defend and indemnify Buyer and its Affiliates and each of Buyer's and its Affiliates' respective Representatives (individually, a "Buyer Indemnified Party" and collectively, the "Buyer Indemnified Parties") in respect of, and hold the Buyer Indemnified Parties harmless against and will compensate and reimburse the Buyer Indemnified Parties for, any and all Losses incurred or suffered by any Buyer Indemnified Party (regardless of whether such Losses relate to any Third Party Claim) resulting from, relating to or constituting:

(a) any breach of or inaccuracy in any representation or warranty of Seller set forth in this Agreement or in the certificate delivered at Closing under Section 6.1(a);

(b) any nonfulfillment or breach of any covenant or agreement on the part of Seller set forth in this Agreement; and

(c) any Retained Liabilities.

8.2 Indemnification by Buyer. If the Closing occurs, Buyer covenants and agrees to defend and indemnify Seller and its Affiliates and each of Seller's and its Affiliates' respective Representatives (individually, a "Seller Indemnified Party" and collectively, the "Seller Indemnified Parties") in respect of, and hold the Seller Indemnified Parties harmless against and will compensate and reimburse the Seller Indemnified Parties for, any and all Losses incurred or suffered by any Seller Indemnified Party (regardless of whether such Losses relate to any Third Party Claim) resulting from, relating to or constituting:

(b) any nonfulfillment or breach of any covenant or agreement on the part of Buyer set forth in this Agreement; and

(c) any Assumed Liabilities.

8.3 Limitations on Indemnification Obligations.

(a) Notwithstanding Section 8.1, there shall be no liability for indemnification under Section 8.1(a) unless the aggregate amount of Losses under this Agreement exceeds \$1,400,000 (the "Seller Indemnification Threshold"), at which time Seller will be obligated to indemnify the Buyer Indemnified Parties with respect to the aggregate amount of all Losses described in Section 8.1(a) in excess of the Seller Indemnification Threshold; provided that the Seller Indemnification Threshold shall not apply in the case of (i) Fraud, or (ii) any breach of or inaccuracy in any representation or warranty made by Seller in any of the following Sections: 2.1 (due organization), 2.2 (authorization; no conflict), 2.5(a) (assets), 2.6 (taxes) and 2.18 (brokers and agents).

(b) Notwithstanding Section 8.2, there shall be no liability for indemnification under Section 8.2(a) unless the aggregate amount of Losses thereunder exceeds \$1,400,000 (the "Buyer Indemnification Threshold"), at which time Buyer will be obligated to indemnify the Seller Indemnified Parties with respect to the aggregate amount of all Losses described in Section 8.2(a) in excess of the Buyer Indemnification Threshold; provided that the Buyer Indemnification Threshold shall not apply in the case of (i) Fraud or (ii) any breach of or inaccuracy in any representation or warranty made by Buyer in any of the following Sections:

3.1 (due organization), 3.2 (authorization; no conflict), 3.4 (capitalization), 3.5 (buyer stock) and 3.13 (brokers and agents).

(c) The indemnification obligations of Seller under Section 8.1(a) shall be limited to \$14,500,000 in the aggregate (the "Cap"), provided, however, that the Cap shall not apply in the case of Fraud or to Seller's indemnification obligations under Section 8.1(a) for breaches of or inaccuracies in any representation or warranty set forth in Sections 2.1 (due organization), 2.2 (authorization; no conflict), 2.5(a) (assets), 2.6 (taxes) and 2.18 (brokers and agents), which obligations (when aggregated with Seller's other indemnification obligations under Section 8.1(a)) shall be limited to an amount equal to the sum of (A) the Cash Consideration, (B) the value of the Stock Consideration on the Closing Date and (C) any

Contingent Payments, if, as and to the extent actually paid pursuant to Section 1.6 (items (A) through (C) collectively, the “Purchase Price”).

(d) The indemnification obligations of Buyer under Section 8.2(a) shall be limited to an amount equal to the Cap, provided, however, that the Cap shall not apply in the case of Fraud or to Buyer’s indemnification obligations under Section 8.2(a) for breaches of or inaccuracies in any representation or warranty set forth in Sections 3.1 (due organization), 3.2 (authorization; no conflict), 3.4 (capitalization), 3.5 (buyer stock), 3.8 (taxes), 3.9 (compliance with law) and 3.13 (brokers and agents), which obligations (when aggregated with Buyer’s other indemnification obligations under Section 8.2(a)) shall be limited to an amount equal to the Purchase Price.

(e) Notwithstanding anything to the contrary in this Agreement:(i) no Indemnified Party shall have any obligations under Section 8.1 or Section 8.2, as applicable, with respect to any matter for which any Indemnified Party is or would be entitled to indemnification under Section 8.1 or Section 8.2 (without giving effect to any limitations, including as to time, survival periods, deductibles, thresholds, caps, knowledge or materiality qualifiers); and (ii) if a Party is entitled to bring a claim under more than one provision of Section 8.1 or 8.2, as the case may be, such Party may choose in its sole and absolute discretion the provision or provisions under which it seeks indemnification.

(f) The amount of Losses recoverable by the Indemnified Party under this ARTICLE VIII shall be reduced, on a dollar-for-dollar basis, by the amount of any insurance proceeds received by the Indemnified Party in connection with a Claim under this ARTICLE VIII (net of any costs of obtaining such recovery and increases in premiums resulting from such Losses which are borne by the Indemnified Party).

(g) The amount of Losses recoverable by the Indemnified Party under this Article VIII shall be net of the foreign, federal, state and/or local income Tax benefits actually realized by such Indemnified Party as a result of the incurrence, accrual or payment of the Loss which entitled such Indemnified Party to recover from the Indemnifying Party pursuant to this Article VIII.

(h) Notwithstanding anything to the contrary in this Agreement, for purposes of determining (i) whether there has been a breach requiring a Party to indemnify as provided in Section 8.1 or Section 8.2, as applicable, and (ii) the Losses with respect thereto, each representation, warranty, covenant and agreement made by such Party (other than Section 2.4(b) (absence of changes); 3.6(a) (SEC filings; financial statements; information provided) and Section 3.6(b) (absence of changes)) shall be deemed to have been made without any qualifications or limitations as to materiality (including any qualifications or limitations made by reference to a Seller Material Adverse Change or Buyer Material Adverse Change).

8.4 Survival and Expiration of Representations, Warranties, Covenants and Agreements. With respect to any claim that any Party may have against any other Party that is permitted pursuant to the terms of this Agreement, the survival periods set forth and agreed to in this Section 8.4 shall govern when any such claim may be brought.

(a) The representations and warranties of Seller set forth in this Agreement, shall survive the Closing and, except in the case of Fraud, shall expire on the applicable dates specified in clause (i), (ii) or (iii) of this Section 8.4(a):

8.5 Indemnification Procedures. All claims for indemnification under this Article VIII ("Claims") shall be asserted and resolved as follows:

(a) In the event that any Person entitled to indemnification hereunder (the "Indemnified Party") has a Claim against any Party obligated to provide indemnification pursuant to Section 8.1 or 8.2 (the "Indemnifying Party") which has been asserted against an Indemnified Party by a Third Party (a "Third Party Claim"), the following provisions shall apply:

(i) The Indemnified Party shall with reasonable promptness notify the Indemnifying Party of such Third Party Claim, specifying the nature of such Third Party Claim and the amount or the estimated amount thereof to the extent then feasible (which estimate shall not be conclusive of the final amount of such Third Party Claim) (the "Claim Notice"). The Indemnified Party's failure to give reasonably prompt notice as required by this Section 8.5 of any Third Party Claim which may give rise to a right of indemnification hereunder shall not relieve the Indemnifying Party of any Liability which the Indemnifying Party may have to the Indemnified Party, except to the extent the failure to give such notice materially prejudiced the Indemnifying Party.

(ii) If any Indemnified Party asserts a Claim involving a Third Party Claim, the Indemnifying Party shall, within fifteen (15) days from delivery of the Claim Notice (the "Notice Period"), notify the Indemnified Party (A) whether or not such Indemnifying Party disputes the Liability to the Indemnified Party hereunder with respect to such Third Party Claim and (B) if such Indemnifying Party does not dispute such Liability, whether or not the Indemnifying Party desires, at the sole cost and expense of the Indemnifying Party, to defend against such Third Party Claim, provided that the Indemnified Party is hereby authorized (but not obligated) prior to and during the Notice Period to file any motion, answer or other pleading and to take any other action which the Indemnified Party shall deem necessary or appropriate to protect the Indemnified Party's interests. If, and for so long as, (x) the Indemnifying Party notifies the Indemnified Party within the Notice Period that the Indemnifying Party does not dispute the Indemnifying Party's obligation to indemnify hereunder and desires to defend the Indemnified Party against such Third Party Claim, and (y) the Third Party Claim does not

(1) involve criminal liability or any admission of wrongdoing, (2) seek equitable relief or any other non-monetary remedy against the Indemnified Party, (3) involve any Governmental Authority as a party thereto or (4) involve an ad damnum that, taken together with the estimated costs of defense thereof, the claimed amount with respect to any unresolved claims for indemnification then pending (and amounts for claims previously satisfied by way of set off in accordance with Section 8.6), is greater than the Cap, then except as hereinafter provided, such Indemnifying Party shall have the right to defend against such Third Party Claim by appropriate proceedings with legal counsel reasonably acceptable to the Indemnified Party, which proceedings shall be diligently prosecuted by such Party to a final conclusion; provided that, unless the Indemnified Party otherwise agrees in writing, the Indemnifying Party may not settle any matter (in whole or in part) unless such settlement (I) includes a complete and unconditional release of the Indemnified Party and its Affiliates in respect of the Third Party Claim, (II) involves no admission of wrongdoing by the Indemnified Party or its Affiliates and (III) excludes any injunctive or non-monetary relief applicable to the Indemnified Party or its Affiliates. If the Indemnified Party desires to participate in, but not control, any such defense or settlement the Indemnified Party may do so at its sole cost and expense.

(iii) If (A) the Indemnifying Party elects not to defend the Indemnified Party against such Third Party Claim, or fails to diligently defend such Claims, or (B) the terms of this Agreement do not permit the Indemnifying Party to defend the Indemnified Party against such Third Party Claim, or (C) the Indemnified Party advises that there are issues that raise actual or potential conflicts of interest between the Indemnifying Party and the Indemnified Party, or (D) the Indemnified Party has different or additional defenses available to it, then the Indemnified Party, without waiving any rights against the Indemnifying Party, may settle or defend against any such Third Party Claim in the Indemnified Party's sole and absolute discretion and the Indemnified Party shall be entitled to recover from the Indemnifying Party the amount of any settlement or judgment and, on an ongoing basis, all Losses of the Indemnified Party with respect thereto, including interest from the date such Losses were incurred.

(b) Notwithstanding anything to the contrary herein, an Indemnified Party may make a claim hereunder even where the full amount of any Losses is not yet known, provided the Claim Notice sets forth the specific basis for any such claim to the extent then feasible.

8.6 Recourse Against Contingent Payments. Except for any Claims by a Buyer Indemnified Party arising from (a) Fraud, (b) a breach of the representations and warranties contained in Sections 2.1 (due organization), 2.2 (authorization; no conflict), 2.5 (assets) and 2.18 (brokers and agents), and (c) Claims under Sections 8.1(b) or 8.1(c), the sole recourse of the Buyer Indemnified Parties for any Losses shall be to set off such Losses against contingent payment amount owed to Seller under Section 1.6(a)(i) with respect to calendar years 2018 and 2019; provided, however, that, any Losses resulting from Claims described in clauses (b) and (c) shall be satisfied first from any proceeds then due and payable to Seller under Section 1.6(a)(i).

8.7 Exclusive Remedy. Absent Fraud, the Parties' sole and exclusive remedy under this Agreement after the Closing with respect to the transactions contemplated hereby shall be indemnification provided in this ARTICLE VIII. Notwithstanding anything to the contrary, and without limiting the preceding sentence, in the event of Fraud by any Party, no limitations contained in this ARTICLE VIII shall apply to any Claims against such Party with respect to the matter that is the subject of such Fraud. Nothing in this Section 8.7 or elsewhere in this Agreement shall affect the Parties' rights to specific performance pursuant to Section 10.15 or other equitable remedies with respect to the covenants referred to in this Agreement to be performed after the Closing). Seller and Buyer each hereby waive any provision of any applicable Law to the extent that it would limit or restrict the agreement contained in this Section 8.7.

## TRANSITION SERVICES AGREEMENT

THIS TRANSITION SERVICES AGREEMENT (this “Agreement”) is entered into as of [ • ], 2017, by and between PTC Therapeutics, Inc., a Delaware corporation (“Buyer”), and Marathon Pharmaceuticals, LLC, a Delaware limited liability company (“Seller”). Capitalized terms used in this Agreement but not otherwise defined herein have the meanings ascribed thereto in the Purchase Agreement (as defined herein).

WHEREAS, Buyer and Seller have entered into that certain Asset Purchase Agreement, dated March [ • ], 2017 (the “Purchase Agreement”), pursuant to which Seller has agreed to sell, assign, transfer and deliver to Buyer all right, title and interest in, to and under the Acquired Assets, and Buyer has agreed to assume the Assumed Liabilities; and

WHEREAS, in order to ensure an orderly transition of the Business to Buyer, Buyer and Seller have agreed to enter into this Agreement, pursuant to which Seller will provide, or cause a Service Provider to provide, Buyer with certain services, in each case on a transitional basis and subject to the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the foregoing and the covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller and Buyer agree as follows:

### 1.0 SERVICES

Section 1.1 Provision of Services. In order to facilitate the commercial launch of the Products, Seller will, and will cause its Affiliates (each, a “Service Provider”) to, to the extent permissible under applicable Law, allow Buyer to rely upon and/or reference Seller’s pharmacy licenses (the “Licenses”) relating to the Products (the “Services”).

Section 1.2 Exclusions. Notwithstanding anything herein to the contrary, in no event shall any Service Provider be obligated to (a) provide any Services that would be unlawful for such Service Provider to provide or that would require such Service Provider to violate any applicable Law, (b) hire any additional employees to perform the Services or maintain the employment of any specific employee, (c) purchase, lease or license any additional equipment or software, (d) create or supply any documentation or information not currently existing or readily available except for documentation or information that results from the performance of any Service as such Service was performed prior to the date hereof, or (e) take any actions that would result in the breach of any contract.

### 2.0 COMPENSATION

Section 2.1 Responsibility for Wages and Fees. For such time as any Service Provider is providing the Services to Buyer under this Agreement, (a) employees of such Service Provider will remain employees of such Service Provider, and shall not be deemed to be employees of Buyer for any purpose, and (b) such Service Provider shall be solely responsible for the payment and provision of all wages, bonuses and commissions, employee benefits, including severance and

worker's compensation, and the withholding and payment of applicable Taxes relating to such employment.

Section 2.2 Consideration for Services. Seller shall provide the Services for no additional consideration. Buyer shall reimburse Seller for all reasonable and documented out-of-pocket costs incurred by Seller in providing Services ("Out-of-Pocket Fees"). Seller shall invoice Buyer at the end of each month, during the period beginning on the date hereof and ending on the latest End Date, for the applicable Out-of-Pocket Fees. Buyer shall pay the Out-of-Pocket Fees invoiced by Seller (other than any portion of the applicable Out-of-Pocket Fees contested in good faith by Buyer as set forth in an Invoice Dispute Notice (as defined herein)) within thirty (30) calendar days after its receipt of the corresponding invoice (the "Due Date"). In the event of a dispute with respect to the amount of any Out-of-Pocket Fee, Buyer shall deliver to Seller an Invoice Dispute Notice. Amounts not properly disputed in an Invoice Dispute Notice shall be deemed accepted and shall be paid in full by the Due Date. The parties shall endeavor to settle all invoice disputes promptly and in good faith. As used herein, "Invoice Dispute Notice" means a written notice delivered to Seller no later than two (2) Business Days prior to the Due Date with respect to the disputed invoice listing all disputed items and providing a reasonably detailed description of each dispute. Interest shall accrue on any amount which continues to be due (and is not properly disputed on the terms set forth above) and owing during the period following the applicable Due Date at a rate of ten percent (10%) per annum.

Section 2.3 Terminated Services. Upon termination of this Agreement, Seller shall have no further obligation to provide (or cause to be provided) the applicable terminated Services and Buyer will have no obligation to pay any future compensation relating to such Services (other than Out-of-Pocket Fees relating to Services provided prior to the termination or expiration of this Agreement).

### 3.0 TERMINATION

Section 3.1 Termination of Agreement. Subject to Section 3.2, this Agreement shall terminate in its entirety on the earlier to occur of (i) December 31, 2017, (ii) the termination of this Agreement in accordance with Section 3.2 or (iii) upon the mutual agreement of the parties.

Section 3.2 Breach. Any party (the "Non-Breaching Party") may terminate this Agreement at any time upon prior written notice to the other party (the "Breaching Party") if the Breaching Party has failed to perform any of its material obligations under this Agreement, and such failure shall have continued without cure for a period of fifteen (15) calendar days after receipt by the Breaching Party of written notice of such failure from the Non-Breaching Party seeking to terminate this Agreement; *provided*, that this Agreement shall not terminate at the end of such fifteen (15) day period if such breach cannot be cured during such period and the Breaching Party commences and diligently pursues actions to cure such breach within such period, in which case the Breaching Party shall have an additional fifteen (15) day period to cure such breach before termination shall become effective.

Section 3.3 Effect of Termination. Upon termination of this Agreement in its entirety, all obligations of the parties hereto shall terminate, except for the provisions of Section 2.3, Article

4.1 , Article 5.0 and Article 6.0, which shall survive any termination or expiration of this Agreement.

#### 4.0 CONFIDENTIALITY

Section 4.1 Confidentiality. Nothing contained in this Agreement shall affect the continuing applicability of the Confidentiality Agreement pursuant to Section 4.2(c) of the Purchase Agreement.

#### 5.0 LIABILITY

Section 5.1 Indemnification by Seller. Seller shall indemnify and hold Buyer harmless against any damages, costs and expenses (including reasonable attorneys' fees) arising from (a) the bad faith or intentional misconduct of Seller in connection with the provision of any Services or (b) the material breach by Seller of any of its obligations hereunder, in each case, other than to the extent caused by any act or omission of Buyer, including, but not limited to, Buyer's failure to provide adequate access to its premises or Buyer's breach of its obligations hereunder and subject to the right to cure pursuant to Section 3.2; *provided*, that Seller shall not be liable to Buyer for any lost profits, diminution in value or consequential, incidental, indirect, special, exemplary or punitive damages.

Section 5.2 Indemnification by Buyer. Except to the extent of Seller's bad faith or intentional misconduct or the material breach by Seller of any of its obligations hereunder, Buyer shall indemnify and hold Seller and its Affiliates harmless against any damages, costs and expenses (including reasonable attorneys' fees) arising from (a) any use of the Licenses by Buyer or its Affiliates in violation of applicable Law, and (b) the material breach by Buyer of any of its obligations hereunder.

Section 5.3 Procedures. The provisions of Article VIII of the Purchase Agreement shall govern claims for indemnification under this Agreement.

#### 6.0 MISCELLANEOUS

Section 6.2 Interpretation. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

Section 6.3 Rules of Construction. The parties agree that they have been represented by counsel during the negotiation, preparation and execution of this Agreement, and therefore waive the application of any Law, regulation, holding or rule of construction providing that ambiguities in an agreement or other document will be construed against the party drafting such agreement or document.

Section 6.4 Entire Agreement. This Agreement and the Purchase Agreement (including the documents and instruments referred to herein and therein and the exhibits and schedules attached hereto and thereto) set forth the entire understanding of the parties with respect to the transactions contemplated hereby. Any and all previous agreements and understandings between or among the parties regarding the subject matter hereof, whether written or oral, are superseded by this Agreement.

Section 6.5 Jurisdiction; Governing Law. This Agreement (and any claims or disputes arising out of or related hereto or the transactions contemplated hereby or to the inducement of any party to enter herein, whether for breach of contract, tortious conduct or otherwise and whether predicated on common law, statute or otherwise) shall be governed in all respects, including validity, interpretation and effect, by and construed in accordance with the internal Laws of the State of Delaware (including in respect of the statute of limitations or other limitations period applicable to any claim, controversy or dispute) without giving effect to any choice or conflict of Law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of Laws of any jurisdictions other than those of the State of Delaware.

Section 6.6 Submission to Jurisdiction. Each party to this Agreement (a) consents to submit itself to the exclusive personal jurisdiction of the Court of Chancery of the State of Delaware, New Castle County, or, if that court does not have jurisdiction, a federal court sitting in Wilmington, Delaware in any action or proceeding arising out of or relating to this Agreement or any of the transactions contemplated by this Agreement, (b) agrees that all claims in respect of

Each of the parties hereto waives any defense of inconvenient forum to the maintenance of any action or proceeding so brought and waives any bond, surety or other security that might be required of any other party with respect thereto. Any party hereto may make service on another party by sending or delivering a copy of the process to the party to be served at the address and in the manner provided for the giving of notices in Section 6.1. Nothing in this Section 6.6, however, shall affect the right of any party to serve legal process in any other manner permitted by Law.

Section 6.7 Severability. If any provision of this Agreement or the application thereof to any Person or circumstances is held invalid or unenforceable in any jurisdiction, the remainder hereof, and the application of such provision to such Person or circumstances in any other jurisdiction, shall not be affected thereby, and to this end the provisions of this Agreement shall be severable.

Section 6.8 Equitable Relief. The parties hereto agree that, in the event of any breach or threatened breach by another party of any covenant or obligation contained in this Agreement, the Non-Breaching Party shall be entitled to seek and obtain (a) a decree or order of specific performance to enforce the observance and performance of such covenant or obligation, and (b) an injunction restraining such breach or threatened breach. The parties further agree that neither the other party, nor any other Person, shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 6.8, and both parties irrevocably waive any right they may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

Section 6.9 Expenses. Except as otherwise specified herein or in the Purchase Agreement, each party shall pay its own costs and expenses relating to this Agreement and the negotiations leading up to the execution of this Agreement.

Section 6.10 Successors and Assigns. Any attempted assignment in violation of the provisions hereof shall be null and void and have no effect.

Section 6.11 Absence of Third Party Beneficiary Rights. Except as set forth in Section 5.1 and Section 5.2, no provision of this Agreement is intended, nor will be interpreted, to provide or to create any third-party beneficiary rights or any other rights of any kind in any client, customer,

Any extension or waiver by any party of any provision hereto shall be valid only if set forth in an instrument in writing signed on behalf of such party.

Attention: [ ] PTC Therapeutics, Inc. Ladies and Gentlemen:

We are counsel for PTC Therapeutics, Inc. (the “Company”) and have been requested to furnish to you an opinion with respect to certain securities sold by Marathon Pharmaceuticals, LLC (the “Seller”).

As a basis for this opinion, we have received and reviewed copies of the following documents:

1. The Seller's Notice on Form 144, which, we have been advised, was transmitted for filing by the Seller with the Securities and Exchange Commission and any required national securities exchange on [\_\_\_], 20[\_\_\_].
2. A letter from the Seller to the Company dated [\_\_\_], 20[\_\_\_] providing information related to the securities sold by the Seller and representing, among other things, that a period of at least six months (as determined in accordance with paragraph (d) of Rule 144) has elapsed since the date on which the securities were most recently acquired from the Company or from an affiliate of the Company and, if acquired by purchase, since the date on which payment of the full purchase price was made[, and that the Seller is not, and has not been within the past three months, an “affiliate” of the Company, as that term is defined in paragraph (a)(1) of Rule 144, and sold the securities pursuant to paragraph (b)(1) of Rule 144].
3. A letter from [\_\_\_] (the “Broker”) dated [\_\_\_], 20[\_\_\_] certifying that the sale was made in compliance with the “manner of sale” requirements of paragraph (f) of Rule 144 promulgated under the Securities Act of 1933, as amended (the “Act”).

We have been notified that the Seller sold [\_\_\_\_\_] shares of the Common Stock of the Company (the “Shares”) pursuant to Rule 144 on [\_\_\_] and that the Seller has delivered to the Broker certificate[s] number[ed] [\_\_\_] representing [\_\_\_\_\_] shares of the Common Stock of the Company registered in the name of the Seller (the “Certificate”). We have assumed, without investigation, that the Shares were not initially issued by a “shell company,” as described in

paragraphs (i)(1)(i) and (ii) of Rule 144. We also have been advised that the Company is in compliance with the current public information requirements of paragraph (c) of Rule 144.

On the basis of the foregoing and assuming the accuracy of the representations of the Seller, the Broker and the Company, it is our opinion that the sale of the Shares by the Seller complied with Rule 144 and that the Shares may be transferred without compliance with the registration requirements of the Act.

Any restrictive legend or stop order relating to the Certificate may be removed, and a new, unlegended certificate for the Shares may be issued. The stop order in effect with respect to the balance of the shares, if any, covered by the Certificate and not sold in this transaction under Rule 144 should remain in effect, and any new certificate representing such shares should bear the same restrictive legend as the Certificate.

Any questions concerning the foregoing opinion should be communicated to [\_\_\_] of this firm.

Very truly yours,

By: \_\_\_

Re: PTC Therapeutics, Inc.

Ladies and Gentlemen:

We are counsel for PTC Therapeutics, Inc. (the “Company”) and have been requested to furnish to you an opinion with respect to certain “restricted securities” owned by Marathon Pharmaceuticals, LLC (the “LLC”).

We understand that [ ] shares of the Common Stock of the Company owned by the LLC (the “Shares”) and represented by certificate[s] number[ed] [ ] registered in the name of the LLC (the “Certificate”) are to be distributed pro rata and without consideration therefor to the members of the LLC, which we assume to be “closely held for purposes of the federal securities laws.

As a basis for this opinion, we have received and reviewed a letter dated [ ] from the LLC to the Company providing certain information with respect to the LLC, its members, the Shares and the proposed distribution (the “Letter”). We understand that a copy of the Letter has been delivered to you. We have also reviewed such additional documents and information as in our judgment are necessary or appropriate to enable us to render the opinion expressed below. We have assumed, without investigation, that the Shares were not initially issued by a “shell company,” as described in paragraphs (i)(1)(i) and (ii) of Rule 144 promulgated under the Securities Act of 1933, as amended (the “Act”).

On the basis of the foregoing and assuming the accuracy of the representations of the LLC, it is our opinion that the Shares may be distributed to the members of the LLC in accordance with the Letter without compliance with the registration requirements of the Act.

[Any restrictive legend or stop order relating to the Certificate may be removed, and new, unlegended certificates may be issued to the members of the LLC in accordance with the instructions set forth in the Letter.]

[or]

[We call to your attention that all certificates issued to the members of the LLC in accordance with the instructions set forth in the Letter should bear the restrictive legend and be subject to the stop order currently in effect with respect to the Certificate.]

[or]

[We call your attention to the fact that certain of the members of the LLC, identified as such in the Letter, may be deemed to be “affiliates” of the Company as that term is defined in paragraph (a)(1) of Rule 144 promulgated under the Act, and, therefore, the certificates issued to those members should bear the restricted legend and be subject to the stop order previously in effect with respect to the Certificate. The certificates issued to the other members of the LLC in accordance with the instructions set forth in the Letter need not bear any restrictive legend.]

Any questions concerning the foregoing opinion should be communicated to [\_\_\_\_] of this firm.

Very truly yours,

2. Accompanying this letter is a copy of the Seller's Notice on Form 144. On \_\_, three copies of such Form 144 were mailed to the Securities and Exchange Commission and one copy was mailed to the principal national securities exchange (if any) on which the Shares are admitted to trading. 8. The Seller is not aware of any failure to meet any condition or requirement of Rule 144 so as to cause the proposed sale of the Shares to be a “distribution” or the Seller to be an “underwriter” within the meaning of Section 2(11) of the Act.

9. The Seller will obtain and furnish to you as promptly as possible a letter or letters from the broker through whom the Shares are proposed to be sold, or the market maker to whom the Shares are proposed to be sold, which will be in customary form and substance reasonably satisfactory to you and your counsel. It is agreed and understood that the Shares will be sold (a) in “brokers’ transactions,” as defined in Rule 144, (b) directly to a “market maker,” as defined in Section 3(a)(38) of the Securities Exchange Act of 1934, as amended, or (c) in “riskless principal transactions” meeting the requirements of paragraph (f)(1) of Rule 144.

10. The Seller has received a copy of Rule 144 and agrees that the sale of the Shares will be made in full compliance with the terms and provisions of Rule 144.

11. For the purposes hereof, "Seller" shall be deemed to include all persons referred to in paragraph 2(d) above.

## **PTC Therapeutics Announces Agreement to Acquire Emflaza™ for the Treatment of Duchenne Muscular Dystrophy in U.S.**

- Emflaza is the first treatment approved in the U.S. for DMD patients 5 years and older, regardless of genetic mutation
- Aligns with PTC's mission and commitment to the DMD community
- \$140 million upfront consideration (comprised of cash and PTC common stock) plus potential contingent payments based on net sales and single milestone payment
- PTC to host investor conference call today, March 16, 2017 at 8:30 am ET

**SOUTH PLAINFIELD, N.J., March 16, 2017** – PTC Therapeutics, Inc. (NASDAQ:PTCT) today announced it has entered into an asset purchase agreement with Marathon Pharmaceuticals, LLC to acquire all rights to Emflaza™ (deflazacort). Emflaza is the first treatment approved in the United States for all Duchenne muscular dystrophy (DMD) patients five years and older, regardless of their genetic mutation. DMD is a rare and fatal genetic disorder that results in progressive muscle weakness from early childhood and leads to premature death due to heart and respiratory failure. Emflaza aligns with PTC's mission to bring therapies to patients who have rare diseases with limited or no treatment options.

"With our nearly 20-year commitment to the Duchenne community, it is deeply meaningful for us to bring this critical therapy to U.S. patients," said Stuart W. Peltz, Ph.D., chief executive officer of PTC Therapeutics, Inc. "We believe Emflaza is a disease-modifying therapy that has been shown to slow disease progression. In keeping with PTC's mission, we are excited to work with the community to raise the standard of care for DMD patients."

DMD treatment guidelines recommend steroids as a foundational component of the standard of care. Emflaza reduces inflammation, which is critical to preserving muscle function and delaying disease progression. It received FDA approval on February 9, 2017 and has the potential to benefit many DMD patients in the U.S.

"Our goal has always been to ensure Emflaza is studied, understood and available to any Duchenne patient who needs it, and we determined that this transaction is the best path for ensuring that will happen," said Jeff Aronin, president and CEO, Marathon Pharmaceuticals, LLC. "Now that we have achieved FDA approval of Emflaza, the focus can turn to ensuring patients have access to this important therapy. PTC is well known by the Duchenne community and is ideally positioned to achieve this shared goal."

“Based on our long-standing experience with DMD and strong partnership with the community, we believe PTC is uniquely positioned to launch Emflaza in the U.S.,” added Mark Rothera, PTC’s chief commercial officer. “We are finalizing our commercialization plans and intend to share more information after the transaction closes.”

### **Transaction Overview**

Under the terms of the asset purchase agreement, Marathon will receive total upfront consideration of \$140 million upon closing of the transaction, comprised of approximately \$75 million in cash and approximately \$65 million in PTC common stock, subject to a maximum 6.9 million share limit (with any shortfall to be made whole with additional cash consideration). Marathon is also entitled to receive payments from PTC based on annual net sales of Emflaza beginning in 2018, which PTC expects will range as a percentage of net sales between the low to mid-20s on a blended average basis. In addition, Marathon has the opportunity to receive a single \$50 million sales-based milestone.

The transaction is expected to be accretive to both earnings and cash flow beginning in 2018. The transaction is expected to close in the second quarter of 2017, subject to customary closing conditions, including receipt of clearance under the Hart-Scott-Rodino Act.

### **Advisors**

Evercore is acting as financial advisor to PTC on the transaction. Wilmer Hale is acting as legal advisor to PTC.

### **Conference Call and Webcast**

PTC will host a call today at 8:30 am ET, which can be accessed by dialing (877) 303-9216 (domestic) or (973) 935-8152 (international) and providing the passcode 61526711. ## **About Duchenne Muscular Dystrophy**

Primarily affecting males, Duchenne muscular dystrophy (DMD) is a rare and fatal genetic disorder that results in progressive muscle weakness from early childhood and leads to premature death in the mid-twenties due to heart and respiratory failure. It is a progressive muscle disorder caused by the lack of functional dystrophin protein. Dystrophin is critical to the structural stability of skeletal, diaphragm, and heart muscles. Patients with DMD, the more severe form of the disorder, can lose the ability to walk as early as age ten, followed by loss of the use of their arms. DMD patients subsequently experience life-threatening lung complications, requiring the need for ventilation support, and heart complications in their late teens and twenties. More information regarding DMD is available through the Muscular Dystrophy Association and the Parent Project Muscular Dystrophy. Additionally, information and resources are available at [www.duchenneandyou.com](http://www.duchenneandyou.com).
