PTC THERAPEUTICS TO HOST THIRD QUARTER 2013 FINANCIAL RESULTS CONFERENCE CALL AND WEBCAST

SOUTH PLAINFIELD, NJ – November 7, 2013 – PTC Therapeutics, Inc. (NASDAQ: PTCT) today announced that PTC management will host a webcast conference call to discuss financial results for the third quarter ended September 30, 2013 and provide a corporate update on Thursday, November 14, 2013 at 8:00 a.m. (ET) before the opening of the market.

The call can be accessed by dialing 877-303-9216 (domestic) or (973) 935-8152 (international) five minutes prior to the start of the call and providing the passcode 80749157. A live, listen-only webcast of the conference call can be accessed on the investor relations section of the PTC website at www.ptcbio.com. A webcast replay of the call will be available approximately two hours after completion of the call and will be archived on the company's website for two weeks.

ABOUT PTC THERAPEUTICS, INC.

PTC is a biopharmaceutical company focused on the discovery and development of orally administered, proprietary small molecule drugs that target post-transcriptional control processes. Post-transcriptional control processes regulate the rate and timing of protein production and are essential to proper cellular function. PTC's internally discovered pipeline addresses multiple therapeutic areas, including rare disorders, oncology and infectious diseases. PTC has developed proprietary technologies that it applies in its drug discovery activities and form the basis for collaborations with leading biopharmaceutical companies. FORWARD LOOKING STATEMENTS:

Any statements in this press release about future expectations, plans and prospects for PTC, the development of and potential market for our product candidates, and other statements containing the words "anticipate," "believe," "estimate," "expect," "intend," "may," "plan," "predict," "project," "target," "potential," "will," "would," "could," "should," "continue," and similar expressions, constitute forward-looking statements within the meaning of The Private Securities Litigation Reform Act of 1995. Forward-looking statements involve substantial risks and uncertainties that could cause our future results, performance or achievements to differ significantly from those expressed or implied by these forward-looking statements. Such risks and uncertainties include, among others, those related to the initiation and conduct of clinical trials, availability of data from clinical trials, expectations for regulatory approvals, our scientific approach and general development progress, the availability or commercial potential of our product candidates and other factors discussed in the "Risk Factors" in the most recent Quarterly Report, which is on file with the Securities and Exchange Commission. In addition, the forward-looking statements included in this press release represent our views only as of the date of this release. We anticipate that subsequent events and developments will cause our views to change. However, while PTC may elect to update these forward-looking statements at some point in the future, we specifically disclaim any obligation to do so. These forward-looking statements should not be relied upon as representing PTC's views as of any date subsequent to the date of this press release.
